Ready to Share One Bread Nick Harding, 2015-02-19 Ready to Share One Bread is a one stop guide for churches considering the admission of children to Holy Communion The Church of England has allowed the admission of baptised children to Holy Communion before confirmation since 1997 but currently only about 20% of parishes currently do so There is therefore much scope for many more churches to explore the issue Nick Harding and Sandra Millar provide you with all a church would need to consider and help along the way to making it happen Ready to Share One Bread includes resources for exploring the issue with a whole congregation case studies from real life churches a preparation course an admission liturgy and advice on including and involving children in Eucharistic worship The book also includes theological reflection on children and the Eucharist from Michael Perham and considers the impact of receiving Holy Communion on children s discipleship

PRAYER: PREMISED ON WORSHIP David A Swincer, 2019-10-25 Unless God is worshipped for His Own sake we are reduced to idolatry Segler in his book Christian Worship says God must be worshipped for His Own glory or it is idolatry however relatively worthy its motivation Segler 1967 12 emphasis added Again we emphasise the pivotal focus on God alone He alone is worthy of worship The English word worship is derived from the Old English word weorthscipe worth and ship worthship meaning worship one worthy of reverence and honour It is honour shown to an object Worship Wikipedia When we worship we declare God s worth The 24 elders proclaimed You are worthy our LORD and God to receive glory and honour and power for you created all things and by your will they were created and have their being Revelation 4 11 emphasis added The angels sang Worthy is the Lamb who was slain to receive power and wealth and wisdom and strength and honour and glory and praise The four living creatures said Amen and the elders fell down and worshipped Revelation 5 12 14 emphases added You have taken a 4 wheel drive trip into the outback You couldn t be more remote The horizon is a blur in the far distance There is no town for miles You are out of range for any mobile phone coverage There is no passing traffic And the old jalopy has packed it in What do you do For too many people it is an occasion of venting their spleen cursing loud and long blaming anyone and everyone etc and kicking the wheel The answer is very simple for the Christian You worship And don t argue that there is no pipe organ or choir or anything that is usually related to worship Now it is time

to truly worship and it is all and only to do with God You might start with a devotional statement a reminder of just Who God is Dear Lord Almighty creator ruler and sustainer of the universe You are from everlasting to everlasting You know all things including our predicament You are everywhere including out here in this remote place You are right here with us His immanence so we have nothing to worry about As our omniscient God You not only know of our predicament but You have known all about it from the creation of the world That being the case it is no surprise to You what has happened today So we need not to be surprised And we are assured that You have it all under control Our lives are in Your merciful and loving hands With Your omnipotence there will be no difficulty in providing a solution however seemingly difficult it might appear This is true worship True worship is an appreciation of God for His own sake Without regard to the circumstances And without regard for the benefits that we might derive from Him or even desperately hope to derive from Him There is no bargaining No demanding No handwringing No guidelines for your expectations No angry retorts like If God knew this from the creation of the world why didn t He let us know If He is a sovereign God why did He allow this to happen here True worship is an appreciation of God for His own sake FULL STOP Now what is the sovereign God going to do Be assured that He only does all things well perfectly He is the judge of all the earth and He will only do what is right Can you trust Him for that Can you expect more than that Is that OK Can you trust God to be God overwhelming in mercy and care for His children Do you think that He will be able to handle this without your advice and help If He can t then there is no hope for any of us So sit down and relax It doesn t depend on you Can we say with relaxed surrender But I trust in you LORD I say You are my God My times are in your hands Psalm 31 14 15 emphases added 1-3 John David L. Allen,2013-06-30 This commentary on 1 3 John is a great resource for pastors and laypersons alike showing how John s letters lay out the foundational nature of truth and love in the context of the local church with teachings that overflow with theological depth and real world wisdom Part of the Preaching the Word series *The Deity and Miracles of Christ* Rev. Joseph Sill,2018-07-26 This book is intended to show Jesus s deity through the signs and dialogue in the book of John John has recorded eight signs or miracles in his Gospel He begins with the marriage at Cana and progresses through his Gospel to the resurrection the greatest of all the signs These miracles in the book of John and all the Bible for that matter are not arbitrary but were chosen by the Holy Spirit to show that Jesus is who he says he is John himself tells us his purpose in writing his Gospel in John 20 21 But these are written that ye might believe that Jesus is the Christ the Son of God and that believing ye might have life through his name This book is intended for you to look at the miracle and sayings of Jesus in John and show how they point to Jesus being the promised Messiah the Son of God deity incarnate John showed who Jesus was when he said I am the bread of life and proceeded to feed the five thousand with the loaves and fish John records that he said I am the light of the world and then Jesus proceeded to heal a man born blind from birth He told Mary at the death of Lazarus I am the resurrection and the life and proceeded to raise the dead Finally he told his disciples I lay my life down and I will take it up again Then he went to the

cross died and was buried to rise again on the third day And just in case there is any doubt as to his resurrection he appears to Thomas in the upper room and to the disciples by the sea of Tiberius It is my prayer that this book may prove who Jesus is to the minds of all who read it That they may come to believe that Jesus is who he said he is the Messiah the Son of God who died for our sins and is raised to make it just as if we never sinned Romans 4 25 *Preaching the Topical Sermon* Ronald J. Allen, 1992-01-01 This book offers a practical model for developing sermons for occasions when the Bible offers little specific guidance for interpreting an issue need or situation Ronald Allen describes why and how topical sermons should be used discusses special occasions when they are appropriate and outlines strategies for developing topical sermons giving particular attention to controversial issues The last chapter includes sample sermons by other preachers *Life's Biggest Questions* Erik Thoennes, 2011-06-23 If we were to compile the biggest questions pertaining to life we would face some daunting submissions Does God exist What is God like How will it all end In this accessible book Erik Thoennes a preaching pastor and theology professor asks and answers 15 of the most important questions we can ask about God the Bible Jesus and the church Readers will find his answers clear helpful and above all biblical Life's Biggest Questions is a great resource for new Christians and for those looking for concise ways to answer difficult questions Each chapter concludes with a Scripture verse for meditation and memorization questions for application and discussion and suggestions for further study *Luke 1-17 MacArthur New Testament Commentary Set* John MacArthur, 2011-02-21 This package includes the three volume set of the Gospel of Luke from the MacArthur New Testament Commentary series Luke 1 5 Luke 6 10 and Luke 11 17 The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series In volumes one two and three of the Gospel of Luke respected preacher and Bible teacher John MacArthur provides a verse by verse and phrase by phrase exposition of the text taking into account the cultural theological and Old Testament contexts of each passage Interpretive challenges are fully dealt with and differing views are fairly evaluated The gospel of Luke is unique and provides valuable insight into Christ's life and ministry It gives the fullest account of Christ's birth and is the only gospel to record several of our Lord's parables including the Good Samaritan and the Two Sons Use this volume of The MacArthur New Testament Commentary series to assist you in your study of this cherished New Testament book *Luke 1-24 MacArthur New Testament Commentary Set* John MacArthur, 2011-02-21 This package includes the complete four volume set of the Gospel of Luke from the MacArthur New Testament Commentary series Luke 1 5 Luke 6 10 Luke 11 17 and Luke 18 24 The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series In this four volume set of the Gospel of Luke respected preacher and Bible teacher John MacArthur provides a verse by verse and phrase by phrase exposition of the text taking into account the cultural theological and Old Testament contexts of each passage Interpretive challenges are fully dealt with and differing views are fairly evaluated The gospel of Luke is unique and provides valuable insight into Christ's life and ministry It gives the fullest account of Christ's birth and is the only gospel to record

safari approach provides a more effective way of doing theology and mission in Africa and other contextual situations He also draws parallels to the safari concept from such sources as Augustines City of God John Bunyans The Pilgrims Progress and others in a refreshing and original style that the reader will find engaging The motif provides interpretational and practical application tools as it harmonizes the unity of the biblical message Its practical appeal makes Safari Based Theology a must read for Christians and others interested in their daily journey of faith The author contends that just as the idea of logos described the mindset conception of divine truth and aspirations of the Greek mind the concept of safari does the same for the African This book is highly recommended for pastors missionaries and teachers as well as students of Bible and theology culture and missions and other related disciplines from good to grace and the saving of souls ,
