Introduction to Medieval Theology Rik Van Nieuwenhove, 2022-03-24 This classic book now in a second expanded edition is an invitation to think along with major theologians and spiritual authors men and women from the time of St Augustine to the end of the fourteenth century who profoundly challenge our post modern assumptions Medieval theology was radically theocentric Trinitarian Scriptural and sacramental yet it also operated with a rich notion of human understanding In a post modern setting when modern views on autonomous reason are increasingly questioned it is fruitful to re engage with pre modern thinkers who did not share our modern and post modern presuppositions Their different perspective does not antiquate their thought on the contrary it makes them profoundly challenging and enriching for theology today This survey introduces readers to key theologians of the period and explores

Eternity Today, Vol. 1 Martin Connell,2006-11-01 According to Dom Gregory Dix the basic shape of the Christian liturgy has remained the same ever since thirteen men met for supper in an upper room at Jerusalem some two thousand years ago According to Martin Connell the same cannot be said for the liturgical year The Triduum or three days of Easter only emerged in the fourth century So too did Christmas Earlier Epiphany was the birthday of the Savior Although a pre Easter fast of variable length was observed since earliest times the precise Forty Day span only appeared once again in the fourth century And that foundational fourth century also saw the beginnings of the observance of Advent which actually took centuries to catch on As Connell demonstrates in this fascinating book the varieties of Christian observance emerged in local communities stretching from Gaul to India and were often born in the struggles that were define orthodoxy and heresy Eternity Today is a vade mecum for anyone who wishes to observe the liturgical year with intelligent devotion Throughout Connell aims to recover the theology and spirituality of the Christian year As an aid to reflection he incorporates numerous selections of contemporary poetry thereby demonstrating how secular poets can often hit upon a point that finds its echo in Christian life and ritual Eternity Today The Liturgical Year Volume 1 covers Advent Christmas Epiphany Candlemas and Ordinary Time Beyond Mary or Martha Jennifer S. Wyant,2019-11-08 Explore a tale of two sisters Beyond Mary or Martha Reclaiming Ancient Models of Discipleship dives into the complicated reception history of Mary and Martha of Bethany who have been at the center of many debates for almost two thousand years Jennifer S Wyant begins her study with a close reading of the sisters first encounter with Jesus in Luke 10 38 42 then moves on to patristic medieval and modern interpretations of that narrative Wyant tracks how Mary and Martha both became paradigms of discipleship revealing the inherent tension within Christianity between contemplative practices and acts of service By placing ancient debates alongside more modern ones she argues that contrary to discussions today within academic and religious circles gender is not the most important aspect of their story Features A thorough examination of the textual variants in the passage to show how variants affected interpretation throughout history Interpretations from medieval women and their contributions to

interpretation of Mary and Martha A visual exegesis of the art representing the passage throughout history
