The Consciousness of Jesus (Classic Reprint) Horace Mellard du Bose, 2016-10-07

Excerpt from *The Consciousness of Jesus Christ* that the evangel was uttered but rather that men should receive Christ and live into his conscious being as he in the house of his humanity lived into the conscious life of the Father A too great exhibit of the detail of the earthly walk of Jesus would have defeated the exclusive ends of that which was written that reading we might believe and that believing we might be saved A strictly scientific study of the consciousness of Jesus would fall short of the ends at which we aim Every thoughtful student of modern day theological literature has noted the too frequent absence of both the spirit and the letter Of subjective inquiry from the methods of criticism The critics have contented themselves with examining the aspects of the Old and New Testament Scriptures rather than looking deeply into the spirit and purpose of their writers Stress is laid upon his torical accidents textual peculiarities and difficulties rather than upon the tremendous facts symbolized by and latent in the writings whose peculiarities and difficulties are About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Christ

Consciousness You are Christ Penelope Stewart,2018-03-06 Christ Consciousness is the consciousness or awareness of the self in and as the Christ the attainment of a level of consciousness commensurate with that which was realized by Jesus Christ consciousness is the highest state of intellectual development and emotional maturity Christ consciousness is the state of awareness of our true nature our higher self and our birthright as children of God Christ consciousness has been known by various names in history such as Jainism Buddhism Hinduism and most Eastern mystical religions This path is open to anyone regardless of their religious tradition if and when he or she is open to become a living vessel of love and truth on the planet and actively strives to attain it **The Consciousness of Jesus** Jacques Guillet,1972 *The Consciousness of Jesus* W. Chapman,1922 *Unlocking the Consciousness of Your Soul* Terry L. Newbegin,2012-10 The book is about my experiences in life and how those experiences introduced me to the wisdom of my very soul It is a story about where I truly began as a child of God who I thought I was because of where I was born and how I became enlightened to the most profound kept secrets that were ever devised in the history of mankind It is a story that unravels the mystery behind your suffering Without realizing it your soul has been hiding from you for many lifetimes and by choosing to open up your heart and put aside your dogmatic beliefs for a while your soul will reveal to you all the whys of you choosing the route of sin physicality earth brainwashing forgetfulness and suffering as the means to remember who you are If you are looking for clarity in life and how to overcome distress grief anger and the pain you are feeling right now then it becomes very important to understand who you truly are where you truly come from how miracles are created and why you do the things you do It is a story that touches on the human struggles of life and how to overcome them just by learning to connect to the wisdom of your soul The story takes you all the way back to the first creation known as the Garden of Eden and how it relates to your evolution through time and space When you live and make decisions from the mind of reason from others long established interpretations of God s written words and from what the experts assert what is best for you your soul cannot bring forth the wisdom that you hold deep within your consciousness Thus you become more and more susceptible to turbulent experiences The Christ Is Not a Person J.C. Tefft,2009-02-11 Why are we born For what purpose are we here The longer we remain unaware of what is taking place within us of what drives us and what can liberate us from the bonds of egocentric behavior the longer we allow what the Buddha called the sorrow of life to hold sway The sorrow of life is the sum and consequence of our total identification with the world that is created by self The word Consciousness means something more than what the mind of self thinks imagines or conceives Awareness in Pure Consciousness is an awareness that is other than self and beyond thought Contrary to traditional thinking the so called unseen unknown world is nothing more than Consciousness of which we are unaware Unawareness in Consciousness has been evolving into Awareness in Consciousness since before time began The author of this work comprehensively sets forth a meaning of ancient scripture that likely has not been advanced to you before He demystifies ancient legends and myths so the essential truth of ancient teachings shines through Using ancient

scripture as a guide he insightfully explores a growing conscious awareness that has been emerging within mankind over the last few thousand years A must read for anyone looking to discover the deeper meaning of ancient scripture beyond a literal interpretation of the words

The Congregationalist and Christian World, 1907 Not the Righteous but Sinners John Barnet, 2003-11-01 When critics study reader character interaction in Matthew s Gospel they tend to reach similar conclusions The disciples are viewed as the link between Jesus and the readers The supplicants and Pharisees serve as foils complementing the true meaning of discipleship This study reconceptualizes the readers role on the basis of M M Bakhtin s analysis of the author hero relationship The outcome of this reading strategy is that the readers must also interact with Jesus through the limited perspective of the major character groups momentarily suspending the post resurrection knowledge that all authority is granted to him By encouraging the readers to identify with the Pharisees the Gospel is able to constitute the readers as sinners thereby establishing them in the supplicants condition of need and thus as the potential recipients of good news This is volume 246 in the *Journal for the Study of the New Testament Supplement Series*
