Eternal Retirement Rev. J.J. Inserra,2023-05-04 Do you know where you will spend Eternity Where will you go when your earthly life ends Where you go depends on what you do now Why is that so Because after death the only laws and ways that matter are God s and how well we tried to live by them God wants everyone with Him but unfortunately not all will make it Are you going to eventually make it to Heaven or not This is unknown Anyone can change for the better or worse until he or she passes away If you re a Christian and think that all I need is to believe in Jesus and do nothing more then you are quite mistaken This is because God the Son came and for all With that said does God owe us anything But how well we live by His rules shows God that we want to live with Him forever in Heaven If you are an Atheist or an Agnostic and don t believe God exists or that there is any proof of His Existence this book helps those with such thinking You have faith just not in God Yet We need faith to believe the things people say to us whether it is a lie or truth When God Died for us it can be seen as though He invested in us rather than starting over To get to His Eternal

Christian Mysticism's Queer Flame Michael Bernard Kelly, 2018-09-03 Is the Christian mystical tradition a relic of another time shaped by celibates for celibates unable to engage meaningfully with people of our time who embrace their corporeality and sexuality as crucial aspects of their journey towards union with God This book reflects in serious theological depth and detail on the spiritual and sexual journeys of gay men of mature and committed Christian faith employing the Christian mystical tradition as the lens and the interlocutor in this process This study examines the major themes and stages of the mystical tradition as outlined by Evelyn Underhill but also including more recent work by Ruth Burrows Thomas Merton and Constance Fitzgerald Using methods of qualitative research it then considers the texts of in depth interviews conducted with men most of whom are theologians or spiritual leaders with a deep Catholic faith and all of whom are openly self affirmingly gay Finally it employs Ricoeur's hermeneutical theory to engage in a creative theological conversation between the traditional mystical stages and themes and these men's lives as described in their interviews This is a unique study that brings together ancient spirituality with contemporary lived religion As such it will be of interest to scholars of religious studies theology Christian mysticism and spirituality and queer studies It will be of particular interest to those teach spiritual direction and to all who seek new ways to engage with the spiritual lives of LGBTIQ people

group of Carmelite and Discalced Carmelite men and women gathered to study their shared tradition. This Carmelite Forum sponsored annual summer seminars in Carmelite spirituality at Saint Mary's College Notre Dame Indiana. The seminars talks and workshops utilized past and present scholarship on the tradition. The title of this newest Carmelite Studies volume is based on the theme of the 2009 Carmelite spirituality seminar: Carmel's Search for Wisdom: Prayer and Contemplation. The study of Wisdom identified by Christians with the Son of God confirms Carmel's perennial commitment to the following of Jesus Christ and demonstrates the centrality of the humanity of Jesus in Carmelite spirituality. Carmelite Wisdom and Prophetic Hope also shows how in recent decades Carmel has become more aware of its prophetic inheritance. The figure of the prophet Elijah for example has emerged as a balance to Carmel's interiority and to an individualized spirituality. Following the church's own clearer expression of justice as integral to the Gospel, Carmel has become more available and responsive to our contemporary world's hunger for community, justice and depth of meaning. Carmelite wisdom recognizes that contemplation is never for its own sake but should be the deepest source of compassion for our world. The contributors and their respective essays are:

Unity of the Heart Peter N. Borys, Peter N. Borys, Jr., 2008-12 In *Unity of the Heart* Peter Borys Jr. presents a multidimensional mystical anthropology and transformation that forms a spirituality of the heart. A heart-centered consciousness opens the way to living a new vision of mystical transformation and spiritual creativity. Borys develops this new vision where we live from a transcendent consciousness in our everyday life of relationships, intention, creativity and work in the world. The book supports our pathway to experience the meditative awareness, relational self-giving and intention of the heart-based consciousness. Within the heart we can seamlessly express our nonlocal and nondual mystic self as a community of being within the universe. The awakening of a consciousness of the heart unites the sciences and the mystic way to form a spiritual/scientific view of our multidimensional humanity and spiritual cosmology. Within the new vision, personal transformation to the true self in Divine unity becomes part of the evolution to an enlightened humanity.
