

# Modern Presidency

The modern president . . .

- often takes the lead in legislative policymaking,
- uses executive orders to act without congressional approval,
- has the support of an expanded presidential bureaucracy, and
- has become the most visible figure in American government.

# The Contemporary Presidency

**Lewis L. Gould**

## **The Contemporary Presidency:**

The Contemporary Presidency Dorothy Buckton James, 1974      *The Contemporary Presidency and the Rhetoric of Promoted Crisis* Denise Marie Bostdorff, 1987      **The Contemporary Presidency, a Synthesis** Lee Landsberger Kane, 1977

*The Contemporary American President* Robert E DiClerico, 2016-12-05 Debuting in its first edition *The Contemporary American President* explores the potential and limitations of presidential influence in times of rising public expectation for the office and the declining ability of presidents to meet it. It focuses on six major areas concerning the presidency: selection, power, accountability, decision making, personality, and leadership, and offers an appreciation of the challenges of the office as the institution attempts to function in an increasingly controversial political environment.      The Modern Prince Carnes Lord, 2018-10-09 What do leaders need to know in order to be effective? Carnes Lord, a political scientist with extensive experience at high levels of American government, here offers witty and trenchant counsel to both leaders and the citizens who elect them. Exploring such issues as leadership in war and crises, diplomacy, intelligence, the media, and the role of political advisors, Lord enumerates the major challenges confronting modern leaders and offers practical advice on how leaders should deal with them. *The Modern Prince* anticipates at times in startling fashion the situation facing the Donald Trump administration in an ongoing political drama that has few precedents in the history of the republic.      The Strategic Presidency James P. Pfiffner, 1996 The best book on the importance of presidential transitions to the long-term successes of administrations. Contemporary scholars and practitioners will be especially interested in Pfiffner's treatment of the problems that surrounded the Clinton administration's troubled start. Mark J. Rozell, author of *Executive Privilege*.      **Partisanship and Party Leadership in the Contemporary Presidency** Roger Glenn Brown, 1983      **The Press and the Modern Presidency** Louis W. Liebovich, 2001-06-30 Scandal and sex sell even in the serious business of presidential news coverage. The media deference shown to Kennedy and the scrutiny applied to Clinton illustrate the changed relation between the two and bookend this pertinent updated 1998 Choice Outstanding Academic Book award winner. Liebovich tackles misconceptions about the media's role in politics, how chief executives cooperate with and manipulate the press as it suits their needs, and how ratings pressures have bent coverage of elections and the Executive Branch for the worse. Well-written, thorough, and the only book to explore the changing relation between the press and the presidency in the later twentieth century, students and researchers alike will profit from reading this work written by one of America's leading scholars in the field. For students interested in communications history or contemporary American politics, it is an unparalleled administration-by-administration introduction to the complex and intertwined workings of two of the most powerful and influential forces at work in American politics today. It furthermore provides researchers with a solid historical explanation of how both presidential politics and political news coverage have come to be popularly reviled and discounted.      The Modern Presidency James P. Pfiffner, 1998 *The Modern Presidency* explores the issues surrounding the expanded size, role, and impact

of the presidential staff over the last half of this century Brief and well crafted the new edition includes the 1996 presidential election an examination of Clinton s first term in office and new case studies on the Clinton administration Pfiffner also traces the growth of the executive office and the concentration of power and prestige in the Oval Office since 1945 BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      *The Presidential Republic* Gary L. Gregg,1997 For two centuries American presidents have considered themselves to be representatives of the American people In this detailed study of presidential representation Gary Gregg explores the theory history and consequences of presidents acting as representatives in the American political system Gregg explores questions such as what it means to be a representative how the Founding Fathers understood the place of the presidency in the Republic established by the Constitution and the effects a representational presidency has on deliberative democracy This important examination of the presidency s place in our political system is essential reading for those interested in American political theory constitutional studies and American history      *Woodrow Wilson and the Roots of Modern Liberalism* Ronald J. Pestritto,2005-01-20 Woodrow Wilson is best known for his service as the twenty eighth president of the United States and his influence on American foreign policy in the twentieth century and beyond Yet Wilson is equally important for his influence on how Americans think about their Constitution and principles of government Woodrow Wilson and the Roots of Modern Liberalism highlights Wilson s sharp departure from the traditional principles of American government most notably the Constitution Ronald J Pestritto persuasively argues that Wilson s unflinching criticism places him clearly in line with the Progressives assault on the original principles of American constitutionalism Drawing primarily from early writings and speeches that Wilson made during his years as a scholar Pestritto examines the future president s clear and consistent ideologies that laid the foundation for later actions taken as a public leader Engaging and thought provoking Woodrow Wilson and the Roots of Modern Liberalism gets to the heart of Wilson s political ideologies and brings a fresh perspective to the study of American political development      *The Modern American Presidency* Lewis L. Gould,2009 The Modern American Presidency is a lively interpretive synthesis of 20th century leaders filled with intriguing insights into how the presidency has evolved as America rose to prominence on the world stage Gould traces the decline of the party system and the increasing importance of the media resulting in the rise of the president as celebrity 36 photos      *Presidential Road Show* Diane J. Heith,2015-12-03 In The Presidential Road Show Public Leadership in an Era of Party Polarization and Media Fragmentation Diane J Heith evaluates presidential leadership by critically examining a fundamental tenet of the presidency the national nature of the office The fact that the entire nation votes for the office seemingly imbues the presidency with leadership opportunities that rest on appeals to the mass public Yet presidents earn the office not by appealing to the nation but rather by assembling a coalition of supporters predominantly partisans Moreover once in office recent presidents have had trouble controlling their message in the fragmented media environment The combined constraints of the electoral

coalition and media environment influence the nature of public leadership presidents can exercise Using a data set containing not only speech content but also the classification of the audience Diane J Heith finds that rhetorical leadership is constituency driven and targets audiences differently Comparing tone content and tactics of national and local speeches reveals that presidents are abandoning national strategies in favor of local leadership efforts that may be tailored to the variety of political contexts a president must confront *Monocratic Government* Fortunato Musella,2022-02-21

Personalisation is the most relevant political phenomenon of our time After the decline of structural and ideological foundations of Western democracies a radical shift from collective to individual actors and institutions has occurred in several political systems On the one hand political leaders have gained centrality on the democratic scene as a consequence of both a more direct sometimes plebiscitary relationship with citizens and a more direct control of the executive administration On the other hand a process of fragmentation occurs at the mass level where electoral volatility has strongly increased and the spread of social media enables each citizen to express their convictions in the self referential autonomy of the digital networks *Monocratic Government The Impact of Personalisation on Democratic Regimes* analyses the consequences of personalisation of political leaders on democratic government by asking whether it is possible to keep together *demos* and *kratos* in a post particratic context It explores topics such as governmental decrees Trump governance and includes an analysis of the coronavirus outbreak Offering comparative insights and exploring how political leaders govern in the United States France Germany Italy and Hungary this volume brings into focus the study of political personalisation in relation to some of the key trends and crises in modern politics *Slipping the Surly Bonds* Mary E. Stuckey,2006-02-21 Millions of Americans including hundreds of thousands of schoolchildren watched in horror as the Challenger shuttle capsule exploded on live television on January 28 1986 Coupled with that awful image in Americans memory is the face of President Ronald Reagan addressing the public hours later with words that spoke to the nation s shock and mourning Focusing on the text of Reagan s speech author Mary Stuckey shows how President Reagan s reputation as the Great Communicator adds significance to our understanding of his rhetoric on one of the most momentous occasions of his administration

**The New College President** Terrence J. MacTaggart,Eileen B. Wilson-Oyelaran,2024-08-13 Think you know what it takes to be an effective leader in higher education You might be surprised Think you know what it takes to be an effective leader in higher education You might be surprised Why is it so difficult to find and hire college and university presidents Perhaps search committees are recruiting in all the wrong places In *The New College President* Terrence J MacTaggart and Eileen B Wilson Oyelaran share the stories of seven exceptional presidents from diverse backgrounds Drawing on hundreds of interviews these vivid deeply researched narratives depict the life stories and academic careers of university presidents whose unconventional backgrounds helped them grow into uniquely qualified leaders The university presidents whom MacTaggart and Wilson Oyelaran profile exhibit strengths of character and perspective developed through

a range of challenging life experiences Personal qualities like grit resilience compassion and intercultural competence along with academic credibility contribute to their effectiveness as chief executives and are critical to presidential success in a fraught era of higher education MacTaggart and Wilson Oyelaran who developed a forensic model for improving presidential searches that requires a much deeper look into personal leadership strengths and weaknesses than is typical in current search practices are uniquely qualified to write this book They present a fresh perspective on higher education leadership and actionable recommendations to improve presidential searches while arguing that a commitment to diversity equity and inclusion is not just a moral imperative but a valuable opportunity to recruit extraordinary leaders Featuring Jeffrey Bullock Waded Cruzado Mary Dana Hinton Freeman Hrabowski III Robert Jones Kwang Wu Kim and Mary Marcy **The Legacy of George W. Bush's Foreign Policy** Ilan Peleg, 2018-04-17 This volume incisively analyzes the foreign policy of George W. Bush Examining the legacy of the forty third President author Ilan Peleg explains the complex factors underlying the Bush Doctrine neoconservative ideology real and perceived challenges to US world supremacy Bush s personality the White House s unique decision making process and the impact of September 11 Peleg argues that in its shift from deterrence and containment to prevention and preemption from multilateral leadership to unilateral militarism and from consensual realism to radical neoconservatism the Bush administration has effected a true revolution in the foundational goals as well as in the means of US foreign policy Peleg also offers a series of judicious recommendations for future administrations including the reestablishment of a bipartisan consensus on foreign policy increased emphasis on multilateralism the demilitarization of US foreign policy renewed focus on the resolution of serious regional conflicts and more realistic expectations about noncoerced democratization around the world **Claiming Lincoln** Jason Jividen, 2011-01-18 Abraham Lincoln is clearly one of the most frequently cited figures in American political rhetoric especially with regard to issues of equality But given the ubiquity of Lincoln s legacy many references to him even on the presidential level are often of questionable accuracy In Claiming Lincoln Jividen posits that in much twentieth century presidential rhetoric especially from progressive leaders Lincoln s understanding of equality is slowly divorced from its grounding in the natural rights thinking of the American Founding and reinterpreted in light of progressive history Claiming Lincoln examines the manner in which rhetoricians have appealed to Lincoln s legacy only to distort that legacy in the process Focusing on Theodore Roosevelt Woodrow Wilson Franklin Roosevelt and Lyndon Johnson and touching on Barack Obama Jividen argues that presidential rhetorical use and abuse of Lincoln has profound consequences not only for how we understand Lincoln but also for how we understand American democracy Jividen s original take on Lincoln and the Progressives will be of interest to scholars of American politics and all those invested in Lincoln s legacy **Historical Dictionary of the George W. Bush Era** Richard S. Conley, 2009-10-01 The Historical Dictionary of the George W. Bush Era details the key events and major trends that defined the 43rd president of the United States from 2001-2008 The dictionary comprises detailed entries on important personalities including the

president his advisors his family his opponents and his critics as well as members of Congress military leaders and international leaders Other entries summarize important events including those connected to the War on Terror the War in Afghanistan and the War in Iraq as well as significant legislation and prominent policy issues Detailed chronologies track major events during Bush s presidency including the 2000 election and Hurricane Katrina The appendixes furnish data and graphics on Bush s advisors and cabinet presidential success in Congress vetoes presidential approval troop levels in Iraq and military and civilian casualties in Iraq and Afghanistan The extensive bibliography provides an invaluable resource for additional reading and research This book is a vital reference tool for any researcher interested in the presidency of George W Bush

**Rivals for Power** James A. Thurber, 2002 The first President Bush faced a long entrenched Democratic majority in both houses of Congress The first term Clinton entered into a unified government for the first time in many years but all that changed in the midterm elections of 1994 The second President Bush faces a closely divided government whose balance could shift at any time Through it all the Presidential Congressional rivalry continues unabated What is it about the institutional relationship between Congress and the Presidency that ensures conflict even in the face of necessary cooperation Here well known scholars and practitioners of Congressional Presidential relations come together to explore both branches of government and what unites as well as divides them Highlights include chapters on budgetary politics in a time of surplus the impacts of campaign message and election mandates and Congressional Presidential relations during transitions Case studies of budget battles health care task forces and armed conflicts in foreign lands lend concrete detail to political theory First hand experience on the Hill and in the Oval Office and everywhere in between is reflected in each chapter Although nothing can rival election 2000 for its challenges to both Congress and the Presidency *Rivals For Power* shows how even an extraordinary electoral result is subject to the rules and rigors of Washington s built in rivalry

The Top Books of the Year The Contemporary Presidency The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Contemporary Presidency : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Contemporary Presidency : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Contemporary Presidency : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

## **The Contemporary Presidency Introduction**

In today's digital age, the availability of The Contemporary Presidency books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Contemporary Presidency books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Contemporary Presidency books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to

purchase several of them for educational or professional purposes. By accessing The Contemporary Presidency versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Contemporary Presidency books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Contemporary Presidency books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Contemporary Presidency books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Contemporary Presidency books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Contemporary Presidency books and manuals for download and embark on your journey of knowledge?

## **FAQs About The Contemporary Presidency Books**
