Communism and communists towards the intelligentsia in interwar Poland. An outline of the issue*

In 1937, the Catholic Bookshop and Press S.A. of Katowice published a work by Rev. Dr Stefan Wyszyński, entitled *Intelligentsia in the Vanguard of Communism*, in which the author dedicated more than 140 pages to examine the attitudes of the intellectual elites of the state towards the communist idea and the communists themselves, as well as discussed how the communists approached the intelligentsia¹. Such a title almost automatically raises questions about whether Rev. Wyszyński's eponymous thesis reflected the actual state of the intelligentsia of the Second Republic or whether it was a very subjective view of the problem, which overestimated the scale of the phenomenon. What were the ideological and political foundations of the communist influence on the intelligentsia; was it really an ally of the Bolsheviks in Russia and then the communists in interwar Poland? Did they see it as an ally of their revolutionary designs?

Leaving aside Rev. Wyszyński's work, which serves here merely as a point of introduction to the scientific discourse, one should attempt to define the foundations of such interactions and delineate the basics and the complexity of the communists' own policies towards the intelligentsia. Consequently, one may be able to answer whether the intelligentsia was a subject or no more than an object of the communist party's activities. Obviously, in terms of research, it remains somewhat of a challenge to identify and use representative benchmarks which could provide answers to this and other questions, including the general position adopted by the intelligentsia towards the communists. For these reasons, this study cannot give a comprehensive overview of the problem, and, given its complexity and multi-faceted nature, it does not aspire to do so. It only attempts

The Communists Of Poland An Historical Outline Revised Edition

Sabrina P. Ramet

The Communists Of Poland An Historical Outline Revised Edition:

A History of the Chinese Communist Party Stephen Uhalley, 1988 **The Communists of Poland** Jan B. De Weydenthal, 1986 **Intermarium** Marek Jan Chodakiewicz, 2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture **Eastern Europe Bibliography** , 1993 A selective work that documents the formative impact of the region s earlier history Includes reference aids and bibliographies general and descriptive histories of the land peoples and economies and works depicting intellectual and cultural life Historical Dictionary of Poland 1945-1996 Piotr Wróbel, 2014-01-27 Located between the former Soviet Union and eastern Germany Poland has the potential to become a political and economic bridge between the East and West It is crucial to European security and stabilization yet the list of reference books on recent Polish history is very short This book fills that gap providing information on Polish political economic and cultural history since 1945 **Roots of Radicalism** Stanley Rothman, 2018-04-27 When Roots of Radicalism first appeared Nathan Glazer noted this is a major work on the relationship between radical politics and psychological development He went on to predict no one will be able to write about the left and radicalism without taking it into account Now finally available in a paperback edition with a new introduction the reader can evaluate just how prescient the authors are in their review of the student radical movement Replete with interviews of radical activists their provocative book paints a disturbing picture The book raises critical questions about much previous social science research and ultimately about the reason an entire generation of Americans was so infatuated with the radical mystique Robert A Nisbet called the book an extraordinarily skilled fusion of historical and psychological approaches to one of the most explosive decades in American social history Robert E Lane added it will be prudent to read Rothman and Lichter along with our well worn copies of

Keniston and Fromm Writing in Political Psychology Dan E Thomas argued the book is arguably the most important and definitely the most provocative book in the field of personality and politics to have appeared in the past several years Recently in Forbes Peter Brimelow referred to Roots of Radicalism as Rothman's main achievement as a political scientist his definitive study of the 1960s New Left In the new introduction the authors review the initial reception of Roots of Radicalism and its subsequent treatment They also review the major literature on the causes course and consequences of the student movement of the 1960s which has appeared since the publication of the book Finally they update their own analysis *East Central Europe and Communism* Sabrina P. Ramet, 2023-03-23 The communists of East Central Europe came to power promising to bring about genuine equality paying special attention to achieving gender equality to build up industry and create prosperous societies and to use music art and literature to promote socialist ideals Instead they never succeeded in filling more than a third of their legislatures with women and were unable to make significant headway against entrenched patriarchal views they considered it necessary with the sole exception of Albania to rely heavily on credits to build up their economies eventually driving them into bankruptcy and the effort to instrumentalize the arts ran aground in most of the region already by 1956 and in Yugoslavia by 1949 Communism was all about planning control and politicization Except for Yugoslavia after 1949 the communists sought to plan and control not only politics and the economy but also the media and information religious organizations culture and the promotion of women which they understood in the first place as involving putting women to work Inspired by the groundbreaking work of Robert K Merton on functionalist theory this book shows how communist policies were repeatedly undermined by unintended consequences and outright dysfunctions Heart of Europe Norman Davies, 2001-05-31 Begins with the period since 1945 and travels back in time to highlight themes and traditions that have influenced present attitudes Analyses the issues arising from the fall of the Eastern Bloc and looks at Poland's future within a political climate of democracy and free market Belonging to the Nation John J. Kulczycki, 2016-03-28 In 1939 Nazis identified Polish citizens of German origin and granted them legal status as ethnic Germans of the Reich After the war Poland did just the opposite searched out Germans of Polish origin and offered them Polish citizenship John Kulczycki's account underscores the processes of inclusion and exclusion that mold national communities *The Communist Successor Parties of Central and Eastern Europe* Andras Bozoki, John T. Ishiyama, 2020-07-24 What has become of the Communist parties that once held monopoly power in the east bloc A decade ago it was assumed that they would dissolve but many of them have enjoyed electoral success This book systematically examines how they have evolved In the opening section Herbert Kitschelt and Ivan Szelenyi respectively consider post communist party strategies and social democratic prospects in the transitional societies Part II presents nine case studies of the major communist and communist successor parties of the region and Part III is devoted to seven comparative studies Appendices provide comparable electoral and party membership data Eastern Europe in the Postwar World NA NA, 2016-04-30 **Problems of Communism**, 1959 *The Catholic*

Church in Polish History Sabrina P. Ramet, 2017-06-22 The book chronicles the evolution of the church's political power throughout Poland's unique history Beginning in the tenth century the study first details how Catholicism overcame early challenges in Poland from converting the early polytheists to pushing back the Protestant Reformation half a millennium later It continues into the dawn of the modern age including the division of Poland between Prussia Russia and Austria between 1772 and 1795 the interwar years the National Socialist occupation of World War Two and the communist and post war communist eras during which The Church only half correctly presented itself as a steadfast protector of Poles with clergy members who either stood up to foreign authorities or collaborated with those same Nazi and Communist leaders This study ends with a consideration of how the Church has taken advantage of the fall of communism to push its own social agenda at times against the wishes of most Poles

Stalinism for All Seasons Vladimir Tismaneanu, 2003-10-15 This history of the Romanian Communist Party RCP traces its origins as a tiny clandestine revolutionary organization in the 1920s to its years in national power from 1944 to 1989 and to the post 1989 metamorphoses

Poland between the Wars, 1918-1939 Peter D. Stachura, 1998-12-13 Incorporating selective papers from a successful conference organised by the Polish Society this book presents challenging and frequently revisionist views on a variety of controversial themes relating to the interwar Polish Republic including its struggle over Upper Silesia the question of national identity and its ethnic minorities the significance of the Battle of Warsaw the role of the press and its defence preparations in 1939 The volume thus makes an important contribution to scholarly debate of a crucial period in Poland's recent history

Victory in Europe, 1945 Arnold A. Offner, Theodore A. Wilson, 2000 In this collection senior scholars explore the transition from war to uneasy peace how and why the war ended as it did whether a different resolution was possible and if the ensuing Cold War was inevitable

The Decline Of Military Regimes Constantine P Danopoulos, Robin A Remington, James Brown, Claude Welch, 2019-06-21 Many generous people deserve special thanks for their assistance in the preparation and completion of this project I wish to express my gratitude to each of the contributors for agreeing to tackle a difficult and inherently controversial subject I am only sorry that C I Eugene Kim did not live long enough to see the fruits of his labor he will be sorely missed by all of us who knew him The Third World and the military do not respond easily to scrutiny by social scientists Many colleagues and referees read all or part of the manuscript I am grateful to Professors Richard Lane Roy Christman and Bob Kumamoto of San Jose State University and Timothy Lukes of Santa Clara University who offered numerous helpful comments My parents Panos and Athanasia Danopoulos my brother George and his wife Niki my aunt Areti Paraskevopoulou and my koumbaro George Nikolettopoulos have provided boundless moral support Polly Taylor's expert typing and coding made the preparation of the typescript possible Finally my wife Vickie and our two sons Panos and Andreas deserve special thanks for their willingness to endure the long hours that writing and manuscript preparation entail Though helpful none of these people bear any responsibility for any problems associated with this volume Responsibility for the accuracy and scholastic quality of

what follows belongs to the contributors and myself Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

Local Politics in Communist Countries Daniel N. Nelson, 1980-01-01 There are many reasons why it is important to study local politics political culture government political process in Communist party states As in all politics local politics in Communist party states are the political articulation of the local community This is the political arena where policies concerning local issues are formulated by the officials This is where the officials are approached by citizens with their particular demands This is where citizens articulate their preferences aspirations and values through political participation And this is where officials both elected and appointed are recruited In this volume Daniel N Nelson has assembled a team of international scholars to consider local politics in Communist party states including the U S S R China Poland Yugoslavia and Romania Together they explore how local social and political forces are articulated in the national and party organizations they also reveal how the study of comparative local politics provides vitality for the study of national politics Rather than treating local communities as receivers and translators of national inputs the contributors demonstrate that the local dimension and national politics mutually influence one another and illuminate the social reality in communist societies

The Communists Of Poland An Historical Outline Revised Edition Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Communists Of Poland An Historical Outline Revised Edition PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Communists Of Poland An Historical Outline Revised Edition PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Communists Of Poland An Historical Outline Revised Edition free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Communists Of Poland An Historical Outline Revised Edition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Communists Of Poland An Historical Outline Revised Edition is one of the best book in our library for free trial. We provide copy of The Communists Of Poland An Historical Outline Revised Edition in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Communists Of Poland An Historical Outline Revised Edition. Where to download The Communists Of Poland An Historical Outline Revised Edition online for free? Are you looking for The Communists Of Poland

An Historical Outline Revised Edition PDF? This is definitely going to save you time and cash in something you should think about.
