The Community College Reader:
Developmental Reading, Achievement and Persistence of African American Community College Students M. Eileen Morelli,2006-06 This ex post facto study was used to compare community college transcripts of African American students who participated in a developmental reading course at a multi campus urban community college and those who declined to participate in the developmental reading program The study examined 513 records to determine if participation in a developmental reading course in a community college improved achievement and persistence for African American college students Results discuss the positive relationship of overall and third semester achievement to enrollment in a developmental reading course as shown in the student QPA Neither enrollment in a developmental reading course nor reading level was related to persistence as measured by the number of semesters enrolled in college **Handbook of College Reading and Study Strategy Research** Rona F. Flippo,Thomas W. Bean,2018-06-12 The most comprehensive and up to date source available for college reading and study strategy practitioners and administrators the Third Edition of the Handbook of College Reading and Study Strategy Research reflects and responds to changing demographics as well as politics and policy concerns in the field since the publication of the previous edition In this thorough and systematic examination of theory research and practice the Handbook offers information to help college reading teachers to make better instructional decisions justification for programmatic implementations for administrators and a complete compendium of both theory and practice to better prepare graduate students to understand the parameters and issues of this field The Handbook is an essential resource for professionals researchers and students as they continue to study research learn and share more about college reading and study strategies Addressing current and emerging theories of knowledge subjects and trends impacting the field the Third Edition features new topics such as disciplinary literacy social media and gaming theory **Student Success in Community Colleges** Deborah J. Boroch,Laura Hope,Bruce M. Smith,Robert S. Gabriner,Pamela M. Mery,Robert M. Johnstone,Rose Asera,2010-02-22 Student Success in Community Colleges As more and more underprepared students enroll in college basic skills education is an increasing concern for all higher education institutions Student Success in Community Colleges offers education leaders administrators faculty and staff an essential resource for helping these students succeed and advance in college By applying the book s self assessment instrument colleges can pinpoint how their current activities align with the most effective proven practices Once the gaps are identified community college leaders can determine the best strategic direction for improvement Drawing on a broad knowledge base and illustrative examples from the most current literature the authors cover organizational administrative and instructional practices program components student support services and strategies and professional learning and development Designed to help engage community college leadership and practitioners in addressing the practices structures and obstacles that enhance or impede the success of basic skills students the book s strategies can be tailored to various institutional levels

showing how to unite faculty staff and administrators in a cooperative effort to effect institutional change Finally Student Success in Community Colleges reveals how investing in a comprehensive basic skills infrastructure can be a financially sustainable model for the institution as well as substantially beneficial to students and society This is a most unusual and valuable book it is packed with careful analysis and practical suggestions for improving basic skills programs in community colleges Compiled by a team of practicing professionals in teaching administration and research it is knowledgeable about what has been done and imaginative and practical about what can be done to improve the access and success of community college students K Patricia Cross professor of higher education emerita University of California Berkeley For its first hundred years the community college was committed primarily to access in its second hundred years the commitment has changed dramatically to success This book provides the best road map to date on how community colleges can reach that goal Terry O Banion president emeritus League for Innovation and director Community College Leadership Program Walden University This guide is the most comprehensive source of information about all facets of basic skills or developmental education It will be invaluable not just to community college educators across the nation but also to those in high schools and four year colleges who share similar problems W Norton Grubb David Gardner Chair in Higher Education University of California Berkeley **Handbook of College Reading and Study Strategy Research** , *Reading for Understanding* Cynthia Greenleaf,Ruth Schoenbach,Linda Friedrich,Lynn Murphy,Nika Hogan,2023-04-11 Improve student outcomes in reading and literacy with the latest edition of this bestselling text The newly revised Third Edition of Reading for Understanding How Reading Apprenticeship Improves Disciplinary Learning in Secondary and College Classrooms is the latest iteration of the best selling landmark book in the field of adolescent literacy The book contains strategies for boosting the reading independence of middle secondary and college students Research conducted by NSF IES and OIIhas validated the model taught in Reading for Understanding demonstrating its effectiveness in raising students reading achievement levels The authors teach a clear and concise instructional framework for students at all learning levels from those with special learning needs to those taking honors and Advanced Placement courses The book also includes A direct correlation to disciplinary literacy making the book an even more valuable resource in a wide range of classrooms Explanation of the social and personal dimensions for building a foundation for engaged learning Discussions of the value of setting aside dedicated class time for independent silent reading With collaboration tips that go beyond the classroom and advice on building a cognitive reading toolbox Reading for Understanding is an indispensable resource for teachers at the Grade 6 and up literacy coaches reading teachers community college instructors and other school leaders *Writing Program Administration and the Community College* Heather Ostman,2013-10-01 From the history of the community college in the United States to current issues and concerns facing writing programs and their administrators and instructors Writing Program Administration and the Community College offers a comprehensive look into writing programs at public two year institutions Resources in

<u>Education</u> ,2001-10   *Research in Education* ,1974   <u>The Wiley Handbook of Adult Literacy</u> Dolores Perin,2019-08-09 Examines the widespread phenomenon of poor literacy skills in adults across the globe This handbook presents a wide range of research on adults who have low literacy skills It looks at the cognitive affective and motivational factors underlying adult literacy adult literacy in different countries and the educational approaches being taken to help improve adults literacy skills It includes not only adults enrolled in adult literacy programs but postsecondary students with low literacy skills some of whom have reading disabilities The first section of The Wiley Handbook of Adult Literacy covers issues such as phonological abilities in adults who have not yet learned to read gender differences in the reading motivation of adults with low literacy skills literacy skills academic self efficacy and participation in prison education and more Chapters on adult literacy social change and sociocultural factors in South Asia and in Ghana literacy numeracy and self rated health among U S adults adult literacy programs in Southeastern Europe and Turkey and a review of family and workplace literacy programs are among the topics featured in the second section The last part examines how to teach reading and writing to adults with low skills adults transition from secondary to postsecondary education implications for policy research and practice in the adult education field educational technologies that support reading comprehension and more Looks at the cognitive processing challenges associated with low literacy in adults Features contributions from a global team of experts in the field Offers writing strategy instruction for low skilled postsecondary students The Wiley Handbook of Adult Literacy is an excellent book for academic researchers teacher educators professional developers program designers and graduate students It s also beneficial to curriculum developers adult basic education and developmental education instructors and program administrators as well as clinicians and counselors who provide services to adults with reading disabilities   *The Radical Case for Teaching Skim Reading in First-Year Writing* Ellen C. Carillo,2025-10-15 The Radical Case for Teaching Skim Reading in First Year Writing encourages faculty particularly in writing studies to check internal biases toward deep reading and teach skim reading in first year writing courses Written by Ellen C Carillo who has previously published on the importance of teaching deep reading this small book is a controversial prompt for further discussion and exploration Data from studies of the lived experiences of undergraduates indicate that students do not need deep reading practices in the majority of their classes across the disciplines and moreover that students succeed in their classes by skim reading Rather than imagining an idealized set of circumstances that allow for sustained deep reading as does a great deal of the scholarship on reading in writing studies The Radical Case for Teaching Skim Reading in First Year Writing argues for teaching students reading practices that will support their success in their college writing assignments rather than those strategies the field believes should support their success In our information landscape and our fragile democracy encouraging skimming as opposed to deep reading may seem like a gamble this very tendency toward the quick rather than the critical has undoubtedly contributed to the current crisis of mass misinformation However teaching students to use skim reading as a strategic tool

for purposeful engagement and efficient yet thoughtful information filtering better equips them to navigate the rapidly changing information landscape and manage the fast paced flow of content from diverse media sources **Breakthroughs in College Reading** Nelson Graff,Nika Hogan,Rebecca Kersnar,2024-09-05 How do we help college students become independent learners in their disciplines In this collection the editors and contributors argue that we do so by supporting students in learning from texts which entails recognizing reading as a problem solving process supporting students to take responsibility for the intellectual work in their classes and creating strong classroom communities that help students develop identities as scholars *Readers' Guide to Periodical Literature* ,1922 Oversight Hearing on the Role of Community Colleges in Fostering Economic Development United States. Congress. House. Committee on Education and Labor. Subcommittee on Postsecondary Education,1986 **Conference on Studies in Reading: Reading comprehension and the high school graduate** ,1975 Putnam's Monthly and the Reader ,1908 The Reading Promotion Partners of the Library of Congress ,1995 The Reader's Digest De Witt Wallace,Lila Acheson Wallace,DeWitt Wallace,1975

Service-Learning at the American Community College A. Traver,Z. Katz,2014-10-22 This volume brings together a breadth of new research on how service learning combining community based experiential learning with classroom instruction can best be employed at community colleges It discusses outcomes and best practices for all involved covers both theory and practice and draws on both qualitative and quantitative methods *Expanding Federal Work-Study and Community Service Opportunities* Maryln McAdam,Ed McDermott,1999-09 A resource guide for post secondary educational institutions on the increased use of the Federal Work Study Program and community service opportunities The program promotes access to college by helping students finance postsecondary education costs while offering these same students the opportunity to pursue community service Addresses the benefits to the campus from community service programs and what the law requires of educational institutions Provides easy how to instructions to meet those mandates a resource section with examples of exemplary programs and a list of resources A Study of Content and Aim of Courses in Interpretive Reading in Academic Institutions of the United States Helene Elizabeth Wilson,1926
