Necroscope: The Novellas Brian Lumley, 2021-11-27 Available now in one volume two classic Necroscope novellas from Brian Lumley The Plague Bearer Harry Keogh is moving on Though the search for his missing wife and child continues his heart now lies in Edinburgh with Bonnie Jean a beautiful Scottish werewolf whose friendly pack and flourishing pub have given him a place he can almost call home But from the rocky heights of Sicily the diabolical Francezci brothers plot the wolf pack s destruction and down in the terrible Pit beneath Le Manse Madonie an ancient evil schemes The vampires conspire They reach a decision They choose a vector Mafia thug Mike Milazzo is no good to anyone anytime anywhere which makes him perfect Disposable The brothers infect him with a deadly poison an engineered plague that even a werewolf could never survive and they offer him a terrible bargain successfully contaminate the wolf pack and receive the antidote Fail and die Mike has everything to lose So does Harry Keogh But the Necroscope lost everything once before and he isn t about to do it again The M bius Murders Harry Keogh aka the Necroscope has always considered himself a master of the M bius Continuum a dimension existing parallel to all space and time and his personal instantaneous gateway to anywhere in the multiverse But this is hardly overweening conceit on Harry s part for to his

knowledge he is not unique two other intelligences with powers similar to his do indeed exist One such is the long dead August Ferdinand M bius himself the German astronomer mathematician and discoverer of the eponymous M bius Strip which led him to explore posthumously his previously conjectural Continuum and the other is Harry s son who has not only inherited his father s mathematical skill but also the metaphysical talent by means of which the Necroscope converses with dead people in their graves Picture Harry s confusion then on returning home via the M bius Continuum from an adventure in Las Vegas as he witnesses however briefly a flailing figure hurtling conscious but uncontrolled through the endless midnight of the Continuum Who could this be how can it be that a helpless silently protesting other is rushing meteor like across the Continuum s Stygian vault Moreover if he hasn t arrived here voluntarily then what vile murderer has sent his victim on this monstrous journey to the end of life itself For Harry is sure that this is neither his son s nor Professor M bius doing Who and where is he this M bius murderer It is a mystery that only the Necroscope can ever hope to solve but at what risk to his own life
