Sanctuaries of Segregation Carter Dalton Lyon, 2017-03-20 Winner of the 2017 Eudora Welty Prize Sanctuaries of Segregation provides the first comprehensive analysis of the Jackson Mississippi church visit campaign of 1963 1964 and the efforts by segregationists to protect one of their last refuges For ten months integrated groups of ministers and laypeople attempted to attend Sunday worship services at all white Protestant and Catholic churches in the state's capital city While the church visit was a common tactic of activists in the early 1960s Jackson remained the only city where groups mounted a sustained campaign targeting a wide variety of white churches Carter Dalton Lyon situates the visits within the context of the Jackson Movement compares the actions to church visits and kneel ins in other cities and places these encounters within controversies already underway over race inside churches and denominations He then traces the campaign from its inception in early June 1963 through Easter Sunday 1964 He highlights the motivations of the various people and organizations the interracial dialogue that took place on the church steps the divisions and turmoil the campaign generated within churches and denominations the decisions by individual congregations to exclude black visitors and the efforts by the state and the Citizens Council to thwart the integration attempts Sanctuaries of Segregation offers a unique perspective on those tumultuous years Though most churches blocked African American visitors and police stepped in to make forty arrests during the course of the campaign Lyon reveals many examples of white ministers and laypeople stepping forward to oppose segregation Their leadership and the constant pressure from activists seeking entrance into worship services made the churches of Jackson one of the front

lines in the national struggle over civil rights *Transformational Pastoral Leadership* Tim Gregory, 2023-04-06 This book provides a model based on Paul's letter to the church in Philippi to help pastors lead in a manner that brings lasting change and maturity to congregational members The project addresses the need for pastors to move beyond a transactional mindset to a transformational approach to leadership and it provides a model for them to follow Tim Gregory grounds the call to transformational leadership in a close reading of Paul drawing out multiple dimensions of what that leadership should strive to develop in a faith community **The Sacristy Manual** G. Thomas Ryan, 2011 Lists that will help you set up for a variety of liturgies and summaries of the documentation about how the areas of the worship space are best arranged and appointed
