**Complete Practical Distiller** M. La Fayette Byrn,2015-11-16 From the Preface FOR a long time the public have been in  
want of a work on the art of Distillation and Rectification couched in such language that everyone could appreciate it and of  
such size and value that the price and the time required to read it would prove the least objectionable From the best  
information I can gain no work has appeared on this subject for many years Owing to this fact most of the improvements  
which have been made in the art have proved of little use to the larger class and thus things have almost remained stationary  
with regard to this very important matter particularly in this country which is indeed greatly to be lamented as we are in  
possession of everything in the way of fruits vegetables which I think they will do as everything is given in the shortest and  
plainest manner It is almost needless to say that I have consulted every authority that I could find for the purpose of making  
this a complete work they are however too numerous to mention here and would be moreover of no benefit to the reader  
With these few prefatory remarks the book is submitted to the public
