Mayor Yin and Other Stories from the Great Proletarian Cultural Revolution, Revised Edition Ruoxi [Jo-Hsi]

Chen, 2004-07-21 Praise for the first edition in the great tradition of Orwell and Solzhenitsyn its true subject is the survival and sometimes the defeat of the human spirit in its lonely quest for integrity Time The almost childlike directness of Chen's tales is captured in the very lightly revised translations of this new edition Highly recommended Choice A classic of modern world literature this collection of stories provides a vivid and poignant eyewitness view of everyday life in China during the Cultural Revolution For this edition Howard Goldblatt has thoroughly revised the text and updated it to Pinyin romanization In a new introduction Perry Link reflects on the book's significance in the post Tiananmen era Twenty five years after its first publication The Execution of Mayor Yin has lost none of its power to move the reader and remains unmatched as a document of the period [The Bloomsbury Handbook of Modern Chinese Literature in Translation](#) Cosima Bruno, Lucas Klein, Chris

Song, 2023-10-19 Offering the first systematic overview of modern and contemporary Chinese literature from a translation studies perspective this handbook provides students researchers and teachers with a context in which to read and appreciate the effects of linguistic and cultural transfer in Chinese literary works Translation matters It always has of course but more so when we want to reap the benefits of intercultural communication In many universities Chinese literature in English translation is taught as if it had been written in English As a result students submit what they read to their own cultural expectations they do not read in translation and do not attend to the protocols of knowing engagements and contestations that bind literature and society to each other The Bloomsbury Handbook of Modern Chinese Literature in Translation squarely addresses this pedagogical lack Organised in a tripartite structure around considerations of textual social and large scale spatial and historical circumstances its thirty plus essays each deal with a theme of translation studies as emerged from the translation of one or more Chinese literary works In doing so it offers new tools for reading and appreciating modern and contemporary Chinese literature in the global context of its translation offering in depth studies about eminent Chinese authors and their literary masterpieces in translation The first of its kind this book is essential reading for anyone studying or researching Chinese literature in translation **The Literature of China in the Twentieth Century** Bonnie S.

McDougall, Kam Louie, 1997 A historical survey of 20th century Chinese literature this book chronicles the writers who

narratological studies **Milestones on a Golden Road** Richard King, 2013-01-15 In *Milestones on a Golden Road* Richard King presents pivotal works of fiction produced in four key periods of Chinese revolutionary history the civil war 1945-49 the Great Leap Forward 1958-60 the Cultural Revolution 1966-76 and the post Mao catharsis 1979-80 Taking its cues from the Soviet Union's optimistic depictions of a society liberated by Communism the official Chinese literature of this era is characterized by grand narratives of progress Addressing questions of literary production King looks at how writers dealt with shifting ideological demands what indigenous and imported traditions inspired them and how they were able to depict a utopian Communist future to their readers even as the present took a very different turn Early red classics were followed by works featuring increasingly lurid images of joyful socialism and later by fiction exposing the Mao era as an age of irrationality arbitrary rule and suffering a Golden Road that had led to nowhere **Old Stories Retold** G.
