that the tyro and the experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing The Complete Works of James Whitcomb Riley in Ten Volumes -**Volume V** James Whitcomb Riley, 2008-10-07 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork The Complete Works of James Whitcomb Riley James The Complete Works of James Whitcomb Riley, Vol. 6 James Whitcomb Riley, Ethel Franklin Whitcomb Riley, Betts, 2013-09-01 James Whitcomb Riley 1849 1916 was an American writer poet and best selling author known as the Hoosier Poet Riley's poems tended to be humorous or sentimental often in dialect He is best known for The Raggedy Man and Little Orphant Annie the poem which inspired the comic character Little Orphan Annie Volume 1 contains a biographical sketch of Riley and Volume 10 contains an index The Complete Works of James Whitcomb Riley James Whitcomb Riley, 2015-11-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Complete Works of James Whitcomb Riley James Whitcomb Riley, 2015-09-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United
