

Thomas R.R. Cobb

The monument across the road marks the spot where General Thomas R. R. Cobb suffered a mortal wound. A brilliant Constitutional lawyer prior to the war, he left his practice to take up arms for the South. At Fredericksburg Cobb fought his first battle as a brigadier general in command of a Georgia brigade. He was determined to do well. When told before the battle that he must fall back if the troops on his left gave way, Cobb growled, "Well if they wait for me to fall back, they will wait a long time."

Erected in the 1890s, this statue to General Cobb is one of the earliest monuments in the park. This photograph was taken about 20 years after the monument was erected.

Cobb fell when a Union artillery shell crashed through the Stephens house, behind you, and exploded, sending shrapnel into his thigh. He would die a few hours later. Although Cobb was a Georgian, his mother had grown up in Fredericksburg. Her childhood home, "Federal Hill," stood on the outskirts of town within sight of Cobb's position (trees and postwar houses obscure the view today). Later accounts claimed that the shot that killed Cobb was fired from the vicinity of his mother's house.

Cobb unsuccessfully was a delegate to the National Congress of the Confederate States before leaving his post for the South. This old photograph shows him in the uniform of Lt. Col. Logan.

Thomas,2011-02-01 Incisive and insightful As good a short history of the Southern war effort as we have T Harry Williams Pulitzer Prize winning author of *Lincoln and His Generals* Emory M Thomas s critically acclaimed chronicle of the Confederacy remains widely recognized as the standard history of the South during the Civil War Now with a new introduction by the author *The Confederate Nation* presents a highly readable highly personal portrait of the Southern experience during these years Thomas renowned for his illuminating biographies of Robert E Lee and other Southern generals here delivers the definitive account of the political and military events that shook the nation during its period of greatest turmoil *The Confederate Nation* has yet to be superseded as the standard title on the subject *Journal of Southern History* A serious scholarly readable work C Vann Woodward *The New Republic* One of America s most eminent Civil War historians *Richmond Times Dispatch* **Confederate Generals in the Trans-Mississippi, Vol 1** Lawrence L. Hewitt,Arthur W. Bergeron,Thomas E. Schott,2013-04-30 Until relatively recently conventional wisdom held that the Trans Mississippi Theater was a backwater of the American Civil War Scholarship in recent decades has corrected this oversight and a growing number of historians agree that the events west of the Mississippi River proved integral to the outcome of the war Nevertheless generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command Although the Trans Mississippi has long been considered a dumping ground for failed generals from other regions the essays presented here demolish that myth showing instead that with a few notable exceptions Confederate commanders west of the Mississippi were homegrown not imported and compared well with their more celebrated peers elsewhere With its virtually nonexistent infrastructure wildly unpredictable weather and few opportunities for scavenging the Trans Mississippi proved a challenge for commanders on both sides of the conflict As the contributors to this volume demonstrate only the most creative minds could operate successfully in such an unforgiving environment While some of these generals have been the subjects of larger studies others including Generals Holmes Parsons and Churchill receive their first serious scholarly attention in these pages Clearly demonstrating the independence of the Trans Mississippi and the nuances of the military struggle there while placing both the generals and the

theater in the wider scope of the war these eight essays offer valuable new insight into Confederate military leadership and the ever vexing questions of how and why the South lost this most defining of American conflicts The Confederate General: Gordon, George W. to Jordan, Thomas ,1991 **Howell Cobb's Confederate Career** Horace Montgomery,1959

Confederate Military History Clement A. Evans,2004-06 This is one volume in a library of Confederate States history in twelve volumes written by distinguished men of the South and edited by Gen Clement A Evans of Georgia A generation after the Civil War the Southern protagonists wanted to tell their story and in 1899 these twelve volumes appeared under the imprint of the Confederate Publishing Company The first and last volumes comprise such subjects as the justification of the Southern States in seceding from the Union and the honorable conduct of the war by the Confederate States government the history of the actions and concessions of the South in the formation of the Union and its policy in securing the territorial dominion of the United States the civil history of the Confederate States Confederate naval history the morale of the armies the South since the war and a connected outline of events from the beginning of the struggle to its close The other ten volumes each treat a separate State with details concerning its peculiar story its own devotion its heroes and its battlefields Volume 6 is Georgia *The Long Lost Journal of Confederate General James Johnston Pettigrew* Dan Bauer,2000-12 One of the first to answer the South s call to arms was James Johnston Pettigrew He served in the Southern army from the opening guns at Fort Sumter until his tragic death during the Confederate retreat from Gettysburg Using newspapers letters diaries and other accounts of the time Dan Bauer tells General Pettigrew s remarkable story in journal form Pettigrew s fictionalized journal offers a first hand day by day account of the Civil War Here are the experiences of planters common soldiers slaves women and officers of the Confederate South What kind of men did it take to lead Southern troops into the bloody battles of the Civil War Were they daredevils risking all for glory or patriots striving to build a new nation The story is contained within these pages **Confederate Generals in the Trans-Mississippi, Vol. 2** Lawrence Lee Hewitt,Arthur W.

Schott,2024-01-12 Like its predecessors the fourth and final volume of Confederate Generals in the Western Theater is an invaluable contribution to the historiography of a poorly understood theater of war presenting new interpretations of major figures while bringing to light both the triumphs and failures of lesser known generals Its cutting edge scholarship offers further grounding for the editors contention that the South s bid for independence was lost on its western battlefields and that the responsibility for those defeats lay more with

the Confederate generals than with their opponents Among the ten chapters this collection includes C David Dalton on the death of Felix Zollicoffer at the Battle of Mill Springs in Kentucky Roger Durham on Robert E Lee s leadership early in the war of the Department of South Carolina Georgia and East Florida Brian S Wills on Abraham Buford s behind the scenes contributions to Nathan Bedford Forrest s famous exploits the late Nathaniel Cheairs Hughes Jr on the achievements and failings of Gideon J Pillow James M Prichard on John Hunt Morgan and his last Kentucky raid and Keith S Bohannon on Edward C Walthall a Virginia lawyer who overcame his lack of prior military experience to become one of the ablest generals in any of the war s theaters Some essays offer full biographies of their subjects others focus on a single campaign Along with the previous volumes this exemplary collection encourages an important rethinking of the course of the Civil War and its ultimate outcome Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University He is the author of Port Hudson Confederate Bastion on the Mississippi among other publications and his honors include the 2013 Nevins Freeman Award for the advancement of American Civil War scholarship and support for the Round Table movement Thomas E Schott worked as a historian for the Department of Defense He is the author of Alexander H Stephens of Georgia A Biography which won the Jefferson Davis Award He is coeditor and contributor with Lawrence Hewitt of Lee and His Generals Essays in Honor of T Harry Williams as well as several volumes of Confederate Generals in the Western Theater and Confederate Generals in the Trans Mississippi The Confederate General William C.
