In the process of learning to ask What can we do to make things better instead of What's wrong you'll discover new ways to relate to people of your own age or other generations with trust despite differences in outlook social customs or even dress. That spells the end of the mythical generation gap. The Confidence Chasm contains a proven blueprint for every employee every manager every parent every child every person who wants to fulfill his own potential for excellence and at the same time build open trusting supportive relationships with those around him.
