The Conflict Jared F. Gerig, Wheaton College (Ill.). Authors, 1990      *Hidden in Plain Sight* James Clare Fuller, 2024-11-19  
The Evangelical Missionary Church in Ontario was born out of the Canadian Mennonite church modified by Wesleyan holiness revivalism in the nineteenth century Sam Goudie 1866 1951 from a Scottish and Swiss German Mennonite family in Waterloo County led the Ontario Conference of the Mennonite Brethren in Christ Church through the period of the formation of the Pentecostal movement establishment of a western Canadian conference and the First World War With Goudie's support the rural denomination attempted to evangelize small town Ontario through teams of women preachers with some success until the Depression Goudie also led in the formation of the denominational mission beginning in Nigeria adding missions in India and the Middle East during his presidency He also chaired the Executive Committee of the binational MBiC church for over thirty years This book clarifies the relation of the MBiC to the parent Mennonite Church and corrects some of the prevailing stories of early Pentecostalism in Canada It explores differences between collectivist denominational life in the denomination's first generations shared with other rural holiness Canadian churches and the congregationalist culture of twenty first century evangelical Canadian Christianity      **Conflict and Conversion in Sixteenth Century Central**

**Mexico** Robert H. Jackson, 2013-04-25 In the sixteenth century Franciscan Dominican and Augustinian missionaries attempted to convert the native populations of central Mexico The native peoples generally viewed the new religion in terms very different from that of the missionaries As conflict broke out after 1550 as Spaniards invaded the Chichimeca frontier the frontier between sedentary and nomadic natives the missionaries faced new challenges on both sides of the frontier Some sedentary natives resisted evangelization and the missionaries saw themselves in a war against Satan and his minions The Augustinians assumed a pivotal role in the evangelization campaign on both sides of the Chichimeca frontier and employed different methods in the effort to convince the natives to embrace the new faith and to defeat Satan's designs They used graphic visual aids and the threat of an eternity of suffering in hell to bring recalcitrant natives such as the Otomi of the Mezquital Valley into the fold      *Blake's 'Jerusalem' As Visionary Theatre* Susanne M. Sklar, 2011-10-20 Before etching Jerusalem William Blake wrote about creating the grandest poem that this world contains Blake's avowed intention in constructing the work was to move readers from a solely rational way of being called Ulro to one that is highly imaginative called Eden Eternity with each word chosen to suit the mouth of a true Orator Rational interpretation is of limited use when reading this multifaceted epic and its non linear structure presents a perennial challenge for readers Susanne Sklar engages with the interpretive challenges of Jerusalem by considering it as a piece of visionary theatre an imaginative performance in which characters settings and imagery are not confined by mundane space and time allowing readers to find coherence within its complexities With his characters Blake's readers can participate imaginatively in what Blake calls the Divine Body the Saviour's Kingdom a way of being in which all things interconnect spiritually ecologically socially and erotically

Imaginatively engaging with Jerusalem involves close textual reading and analysis The first part of this book discusses the notion of visionary theatre and the theological literary and historical antecedents of Jerusalem s imagery characters and settings Particular attention is paid to the theological context of Blake s Jesus the Divine Body and Jerusalem the heroine of his poem This prepares the ground for a scene by scene commentary of the entire illuminated work Jerusalem tells the story of Albion s fall many rescue attempts escalating violence and oppression and a surprising apocalypse in which all living things awakening are transfigured in ferocious forgiveness     *The Invisible War* Donald Grey Barnhouse,1980-10-14 An exploration of the great conflict going on between good and evil within the spiritual realm carefully traced back to the period before the beginning of recorded time can be found in this book     Romantic Prophecy and the Resistance to Historicism Christopher M. Bundock,2016-01-01 Romantic writers invoked prophecy throughout their work However the failure of prophecy to materialize didn t deter them Why then do Romantic writers repeatedly invoke prophecy when it never works The answer to this question is at the heart of Romantic Prophecy and the Resistance to Historicism In this remarkably erudite work Christopher Bundock argues that the repeated failure of prophecy in Romantic thought is creative and enables a renewable potential for expression across disciplines By focusing on new readings of canonical Romantic authors as well as their more obscure works Bundock makes a bold intervention into major concepts such as Romantic imagination historicity and mediation Romantic Prophecy and the Resistance to Historicism glides across Kant s Swedenborgian dreams to Mary Shelley s Last Man and reveals how Romanticism reinvents history by turning prophecy inside out     **God's Almost Chosen Peoples** George C. Rable,2010 Throughout the Civil War soldiers and civilians on both sides of the conflict saw the hand of God in the terrible events of the day but the standard narratives of the period pay scant attention to religion Now in *God's Almost Chosen Peoples* Li     *Proceedings of the Bible Convention of the Confederate States of America* Bible Convention of the Confederate States of America,1862     William Blake Martin K.
