Legendary Locals of Carmel-by-the-Sea Lisa Crawford Watson, 2015-07-06 A place whose history has long been a source of fable and fascination Carmel by the Sea is a community whose ancestors summered by the sea and ultimately stayed through the seasons After founders Frank Powers and Frank Devendorf populated the once barren potato patches with artists and academicians it became a place defined as much by legends and landscape as by the characters who came to Carmel Whether it is the clear light that attracted photographers Edward Weston Ansel Adams Doug

Steakley and Bob Kolbrener the whisper in the trees the rhythm of the waves and the stillness at dawn that seduced writers Mary Austin Robinson Jeffers Jack London Bob Campbell Rick Masten and Jane Smiley or the unbridled beauty in a majestic mountain surging sea or verdant valley that drew in artists Mary DeNeale Morgan William F Ritschel E Charlton Fortune Mari Kloeppel Carol Chapman and Loet Vanderveen the truth is that Carmel by the Sea gets in one's soul and makes its home there

Elijah Prophet of Carmel Jane Ackerman, 2018-07-18 For Carmelites Elijah is considered their legendary founder and patron This study explores Elijah in Scripture legend and Carmelite documents Members of the three monotheistic faiths have always told stories of what the prophet Elijah has done and is still expected to do in sacred history He is perhaps most appreciated by members of the Carmelite Order known for its contemplative and pastoral orientation Elijah is considered their legendary founder and traditional patron Carmelites rank him as one of their greatest spiritual models Their coat of arms displays his flaming sword Mount Carmel and Elijah's proclamation With zeal I have been zealous for the Lord God of Hosts This book inquires into this deep appreciation It examines the linkage between the Order and the prophet over time More Information Beginning with the oldest knowledge we have about Elijah coming from Scripture Elijah Prophet of Carmel briefly sketches his role in the three faiths of Judaism Christianity and Islam It then turns to what the distant but influential Christian antecedents of the Carmelite Order the desert hermits and the early Fathers wrote about the zealous man of God As the Carmelite Order was founded achieved its corporate identity and changed over time so did its views of its legendary model Interaction between storytelling about Elijah and Carmelites understanding of themselves continues even to the present As thoughts from the past about the prophet continue to influence them both Teresian Carmelites and Carmelites of the Ancient Observance of our times are developing a brand new tradition of him the tradition of Elijah's double charism

*The Direction of Desire* Mark Gerard Murphy, 2023-09-25 This book examines Lacanian psychoanalysis and Christian mystical theology demonstrating the former's potential for

reinvigorating spiritual direction The author outlines how current methods of spiritual direction become saturated with self help psycho pop methodologies and that desire has therefore been foreclosed in these practices He suggests that the root of this is a focus on positive affective experientialism which means spiritual direction must focus on emotional wholeness healing and positivity Finally he argues that a new dialogue between John of the Cross a mystic whose writings on spiritual direction formulate part of the core of the Catholic spiritual tradition and Jacques Lacan can open the way for a spiritual direction beyond the confines of experientialism The book concludes that we can only escape the experiential commodification of spiritual direction by critiquing the drive to experience in and of itself This novel work will appeal in particular to students and scholars of psychoanalysis religion philosophy and critical theory *Eldad the pilgrim; a sketch of the manners and customs of the Jews, in the century which preceded the advent of our Saviour* Eldad (fict.name.),1855
