## Sketches Of The Covenant:

The Soul of The Soldier: Sketches From The Western Battle-Front Thomas Tiplady, 2021-01-01 The sketches in this book and in my previous one *The Cross at the Front* are attempts to show the soul of the soldier serving in France as I have seen it during the year and a half that I have been with him It is a padre's privilege and duty to be the voice with which in public worship the soldiers speak to God and through which their last thoughts are borne to their friends at home He is their voice both when they are sick or wounded and when they lie silent in the grave He speaks of their hopes and fears hardships and heroisms laughter and tears As best he may he tries to tell to those who have a right and a longing to know how they thought and how they bore themselves in the great day of trial when all risked their lives and many laid them down Preface *The Tent and the Altar: Or, Sketches from Patriarchal Life* John CUMMING (D.D., Minister of the Scottish National Church, Crown Court.), 1854 Historical Sketch, Articles of Faith and Covenant, and Regulations of the First Congregational Church, Keene, N.H. By Wesleyan Ministers** One hundred skeletons, 1846 A Sketch of the Life of Okah Tubbee Okah Tubbee, Laah Ceil Manatoi Elaah Tubbee, 1848 *Letters, and Sketches of Sermons* John Murray, 1813 Icons of American Protestantism David Morgan, 1996-01-01 Although American Protestants often claim that they are opposed to the use of devotional images in their religious life they in fact draw on a vast body of religious icons to disseminate confessional views to teach and to celebrate birthdays baptisms confirmations and sacred holidays This fascinating book focuses on the production marketing and reception of one such set of religious illustrations the art of Warner Sallman 1892 1968 whose 1940 *Head of Christ* has been reproduced an estimated five hundred million times Five scholars three art historians a church historian and a historian of material culture investigate various aspects of Sallman's career and art in the process revealing much about the role of imagery in the everyday devotional life of American Protestants since the 1940s The chapters examine Sallman's work in terms of the visual sources media and forms of use that shaped its making its mass production marketing

and distribution by publishers and vendors and the commercial nature of Sallman's training and his work as an illustrator. Other chapters explore the reception of his religious imagery among those who admired it and saw in it a vision of the world as they would have it exist; the religious and theological context of conservative American Protestantism in which the imagery flourished; and its critical reception among liberal Protestant intelligentsia who despised Sallman's work and what it represented in popular Christianity. By placing Sallman's art in theological, ecclesiastical, and aesthetic perspective, the book sheds light on the evolving shape of twentieth-century American evangelicalism and its influence on modern American culture.

**Nuns and Reform Art in Early Modern Venice** Benjamin Paul, 2017-07-05. Decorated by Giovanni Buonconsiglio. Jacopo Tintoretto. Palma il Giovane. Sebastiano Ricci and Giambattista Tiepolo. The church of the former Benedictine female monastery Santi Cosma e Damiano occupies an outstanding position in Venice. The author of this study argues that from its foundation in 1481 to its dissolution in 1805, Santi Cosma e Damiano was a reform convent and that its nuns employed art and architecture as a means to actively express their specific religious concerns. While on the one hand focusing on the basis of extensive archival research on the reconstruction of the history and construction of the convent, this study's larger concern is with the religious reform movement, its ideas concerning art and architecture, and with the convent as a space for female self-realization in early modern Venice.

**The Hebrews at Home; Or an Historical Sketch of the Life, Manners, Customs and Ceremonies of the Ancient Hebrews** Thomas TALBOT (Hon.), 1874.

**Sketch Notes** Raymond Broad, 2015-09-10. This book is a follow-on from the book *The Lost Will and Testament of Jesus Christ* which book must be read first or this one will be difficult to follow. It is a collection of papers written over several years enlarging on several of the subjects introduced in *The Lost Will*. It also includes some material from my website proving there is a God and creation as well as papers on controversial themes which need to be left open for discussion. Its preferred readership would be those of a mature faith who know Christianity well enough to still hold their own opinions without resentment to those who don't. Reading the index will reveal the wide range of subjects referred to.
