Rowling have all found inspiration in Vonnegut's words Jonathan Safran Foer has described Vonnegut as the kind of writer who made people young people especially want to write George Saunders has declared Vonnegut to be the great urgent passionate American writer of our century who offers us a model of the kind of compassionate thinking that might yet save us from ourselves More than fifty years after its initial publication at the height of the Vietnam War Vonnegut's portrayal of political disillusionment PTSD and postwar anxiety feels as relevant darkly humorous and profoundly affecting as ever an enduring beacon through our own era's uncertainties
