Sleepless Nights Wenxiang (Shi), Thomas F. Cleary, 1995 Nearly 800 years ago pagan Mongol tribes from the Central Asian steppes broke upon the ancient civilizations of Asia like a tidal wave unleashing a whirlwind of destructive fury with unprecedented force Through this holocaust wandered a lone buddhist poet a pacifist and feminist a former political prisoner and a lifelong exile and sojourner in his own homeland Wenxiang's poetry captures the pathos of his time with exquisite sensitivity and tragic beauty illuminating its harvest of both human suffering and hope Sleepless Nights gives voice to a people groaning under the weight of history the conscripts and peasants the women and families the refugees adrift in a land torn by conflict Among the greatest masterpieces of secular Buddhist poetry

here translated into English for the first time these verses mock the folly of tyrants and celebrate the indomitability of life

Private and Domestic Devotion in Early Modern Britain Alec Ryrie, 2016-04-15 Scholars increasingly recognise that understanding the history of religion means understanding worship and devotion as well as doctrines and polemics Early modern Christianity consisted of its lived experience This collection and its companion volume *Worship and the Parish Church in Early Modern Britain* ed Natalie Mears and Alec Ryrie bring together an interdisciplinary range of scholars to discuss what that lived experience comprised and what it meant Private and domestic devotion how early modern men and women practised their religion when they were not in church is a vital and largely hidden subject Here historical literary and theological scholars examine piety of conformist non conformist and Catholic early modern Christians in a range of private and domestic settings in both England and Scotland The subjects under analysis include Bible reading the composition of prayers the use of the psalms the use of physical props for prayers the pious

interpretation of dreams and the troubling question of what counted as religious solitude The collection as a whole broadens and deepens our understanding of the patterns of early modern devotion and of their meanings for early modern culture as a whole

LETTER FROM HELL DR. PAUL CRAWFORD, 2025-09-01 A Letter from Hell Some stories are whispered across pulpits tucked away in sermons and passed along like cautionary tales They unsettle us because they strike too close to home This is one of those stories not of strangers in some faraway land but of neighbors friends family People we laugh with share meals with wave to across the fence People whose eternity hangs in the balance while we say nothing This book is not written to entertain but to awaken It is a parable wrapped in flesh a reminder that the greatest tragedy is not what happens in life but what happens after it Eternity is real Heaven is real And so is hell The words you are about to read are framed around a fictional letter but its cry is real the eternal regret of a soul lost without Christ It echoes the truth of Scripture the rich man who lifted up his eyes in torment and begged that someone warn his brothers Luke 16 27 28 It is a story of friendship silence and the terrible cost of missed opportunities But more than that it is a story of redemption It is about one man who chose to let his regret become fuel for obedience It is about how God can take even our greatest failures and turn them into a testimony of grace Perhaps you will see yourself in these pages Perhaps you too have a neighbor a coworker a family member you've never spoken to about Christ Perhaps you've convinced yourself there will always be time This story is here to shake that illusion A Letter from Hell is more than a novel it is a plea A plea not from the author but from eternity itself Do all you can for the souls of men lest they be cast in hell with me The letter has been written The cry has been heard The question is what will you do with it

Practical Reflections on Every Verse of the New Testament ,1889 **Poetry's Touch** William Waters,2018-05-31 To whom does a poem speak Do poems really communicate with those they address Is reading poems like overhearing Like intimate conversation Like performing a script William Waters pursues these questions by closely reading a selection of

poems that say you to a human being to the reader to the beloved or to the dead In any account of reading lyric poetry Waters argues there will be places where the participant roles of speaker intended hearer and bystander melt together or away these are moments of wonder Looking both at poetry s you and at how readers encounter it Waters asserts that poetic address shows literature pressing for a close relation with those into whose hands it may fall What is at stake for us as readers and critics is our ability to acknowledge the claims made on us by the works of art with which we engage In second person poems in a poem s touch we may come to see why poetry matters to us and how we in turn come to feel answerable to it Poetry s Touch takes as a central thread the poetry of Rainer Maria Rilke a writer whose work is unusually self conscious about poetic address The book also draws examples from a gamut of European and American poems ranging from archaic Greek inscriptions to Keats Dickinson and Ashbery *Cyclopedia of Sermon Outlines* Rev. Aquilla Webb D.D. LL.D.,1923
