## Slocum In The Secret Service:

MI6: British Secret Intelligence Service Operations, 1909-1945 Nigel West, 2020-01-19 The author of GCHQ describes covert missions that are worthy of spy fiction but the entire book is utterly fascinating and informative Brilliant Books Monthly Written by the renowned expert Nigel West this book exposes the operations of Britain's overseas intelligence gathering organization the famed Secret Intelligence Service MI6 and traces its origins back to its inception in 1909 In this meticulously researched account its activities and structure are described in detail using original secret service documents The main body of the book concerns MI6's operations during the Second World War and includes some remarkable successes and failures including how MI6 financed a glamorous confidant of the German secret service how a suspected French traitor was murdered by mistake how Franco's military advisors were bribed to keep Spain out of the war how members of the Swedish secret police were blackmailed into helping the British war effort how a sabotage operation in neutral Tangiers enabled the Allied landings in North Africa to proceed undetected and how Britain's generals ignored the first ULTRA decrypts because MI6 said that the information had come from a well placed source called BONIFACE In this new edition operations undertaken by almost all of MI6's overseas stations are recounted in extraordinary detail They will fascinate both the professional intelligence officer and the general reader The book includes organizational charts to illustrate MI6's internal structure and its wartime network of overseas stations Backed by numerous interviews with intelligence officers and their agents this engaging inside story throws light on many wartime incidents that had previously remained unexplained An extraordinary book The Daily Telegraph Fascinating reading Firetrench

*Secret Flotillas: Clandestine sea operations to Brittany, 1940-1944* Brooks Richards, 2004 Focusing upon Allied clandestine operations by sea to Brittany from 1940 to 1944 this second edition effectively splits the original book on Secret Flotillas into two volumes Had the book remained as one volume it would have become unwieldy with the weight of new information that has come to light in the interim Previous ed published as 1 vol
