*Tanner's Twelve Swingers* Lawrence Block, 2009-10-13 Sometime spy Evan Tanner has accepted impossible assignments for many reasons money thrills to have something to occupy his waking hours twenty four of them every day in fact since battlefield shrapnel obliterated his brain's sleep center But this might be the first time he's put his life on the line for love Tanner's agreed to smuggle a sexy Latvian gymnast the lost lady love of a heart sick friend out of Russia With the Cold War at its chilliest and the Iron Curtain slammed shut this will not be easy especially since everybody in Eastern Europe it seems wants to tag along including a subversive Slav author and the six year old heir to the nonexistent Lithuanian throne But that's not the biggest hurdle The gymnast refuses to budge unless Tanner rescues her eleven delightfully limber teammates as well and that might be raising the bar too lethally high for even the ever resourceful Evan Tanner to clear Tanner's Twelve Swingers Lawrence Block, 1994 *Step by Step* Lawrence Block, 2009-05-19 From the revered New York Times bestselling author comes a touching insightful and humorous memoir of an unlikely racewalker and world traveler Before Lawrence Block was the author of bestselling novels featuring unforgettable characters such as the hit man Keller private investigator Matthew Scudder burglar Bernie Rhodenbarr and time traveler Evan Tanner he was a walker As a child he walked home from school mostly because he couldn't ride a bike As a college student he walked until he was able to buy his first car a deep blue 1950 Chevrolet coupe named Pamela after the Samuel Richardson novel As an adult he ran marathons until he discovered what would become a lifelong obsession never mind if some people didn't think it was a real sport racewalking By that time Block had already spent plenty of time walking through the city of New York But racewalking ended up taking him all over the country from New Orleans to Anchorage from marathons in the punishing heat to marathons in the pouring rain And along the way as he began to pen the books that would make him a household name among suspense fans all over the world he found that in life as in writing you just need to take one step after the other Through the lens of his adventures while walking in twenty four hour races on a pilgrimage through Spain and just about everywhere you can imagine Lawrence Block shares his heartwarming personal story about life's trials and tribulations discomforts and successes which truly lets readers walk a mile in the master of mystery's shoes Sequels Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **Hit and Run** Lawrence Block, 2009-03-17 For years now Keller's had places to go and people to kill But enough is enough Just one more job paid in advance and he's going to retire Waiting in Des Moines for the client's go ahead Keller's picking out stamps for his collection at a shop in Urbandale when somebody guns down the charismatic governor of Ohio Back at his motel Keller sees the killer's face broadcast on TV A face he's seen quite often Every morning In the mirror Keller calls his associate Dot in White Plains but there's no answer He's stranded halfway across the country and every cop in America has just seen his picture His ID and credit cards are no longer good and he just spent

almost all of his cash on the stamps Now what [American Rivals of James Bond](#) Graham Andrews,2023-02-27 This is a critical history of spy fiction film and television in the United States with a particular focus on the American fictional spies that rivaled and were often influenced by Ian Fleming's James Bond James Fenimore Cooper's Harvey Birch based on a real life counterpart appeared in his novel *The Spy* in 1821 While Harvey Birch's British rivals dominated spy fiction from the late 1800s until the mid 1930s American spy fiction came of age shortly thereafter The spy boom in novels and films during the 1960s spearheaded by Bond heavily influenced the espionage genre in the United States for years to come including series like *The Man from U N C L E* and *Matt Helm* The author demonstrates that while American authors currently dominate the international spy fiction market James Bond has cast a very long shadow for a very long time [A Checklist of Lawrence Block](#) , **Hit Parade** Lawrence Block,2009-03-17 Keller is friendly Industrious A bit lonely sometimes If it wasn't for the fact that he kills people for a living he'd be just your average Joe The inconvenient wife the troublesome sports star the greedy business partner the vicious dog he'll take care of them all quietly and efficiently If the price is right Like the rest of us Keller's starting to worry about his retirement After all he's not getting any younger His victims on the other hand aren't getting any older So he contacts his booking agent Dot up in White Plains and tells her to keep the hits coming He'll take any job anywhere His nest egg needs fattening up Of course being less choosy means taking greater risks and that could buy Keller some big trouble Then again in this game there are plenty of opportunities for some inventive improvisation and a determined self motivator can make a killing [100 Most Popular Contemporary Mystery Authors](#) Bernard A.
