quickly developing a tourism industry and would benefit from the locals being able to communicate effectively with tourists. This book is mainly a guide and reference. It could be used in educational institutions as supplementary material to the language courses being offered. Previous dictionaries sold by the author David Ausiku were sold to some schools, students, and the expectation is the same with this dictionary. This dictionary would also appeal to the younger generation if it were offered as an e-book as well.

Adman Madman Prahlad Kakar, 2023-11-10

In 1971 clutching a princely sum of three hundred rupees in his pocket, Prahlad Kakar arrived in Bombay Central station. During his early days of dire struggle, he slept on benches in train stations and on the sofas of reluctant friends. Scratching the underbelly of Colaba Causeway, he learnt many life lessons for his survival and eventual climb to notoriety. Four decades later, he swears by Murphy's law: Anything that can go wrong will go wrong. Murphy is certainly not a figment of anyone's imagination but a gargoyle plucked from VT station who is sitting crouched on your shoulder and waiting for an opportunity to pee into your ear. Come and share some uproarious laughs with the Indian ad industry's feared and beloved leprechaun as he takes you on this rollercoaster ride. From the bizarre to the brazen, prepare yourself for one hell of a journey. Why does Prahlad have the right to lay claim to Shabana Azmi's second toe? Why did Satish Shah pretend to be a chauffeur during a shoot? Can a parachute landing fall save you from a dating disaster? How did a pig drive a member of the film crew straight to the shrink? Meet Dumbell the Doberman and Head of Outstanding Collections. In this no-holds-barred memoir, Prahlad serves up scoops of his most unforgettable experiences peppered with viciously funny anecdotes from his personal life and seasoned with lessons on how to tell a riveting story in thirty seconds. Learn secrets of the trade to create memorable brands. Travel behind the scenes of celebrated advertisements that launched the careers of models who then went on to become famous Bollywood actors. Hear about the genesis of this accidental serial entrepreneur. And above all, learn how to live life with complete abandon from none other than the enfant terrible of the advertising industry. As the man who wears many hats literally and figuratively, Prahlad tips his hat to life's incidental wisdom with raucous laughter. From those who have a love for advertising to those who have a zest for life, from the young to the old, this memoir will capture your heart and your mind and tickle your funny bone.
