The Communicator's Commentary Mark D. Roberts, 1993 Ezra and Nehemiah address issues that make the front pages of our newspapers and they speak to the yearnings of our hearts This is why the author of this volume Dr Mark Roberts enthusiastically encourages Christian communicators to explore these somewhat obscure Old Testament texts For much the same reason the author believes modern pastors and Bible students can benefit from careful study in the often maligned book of Esther He emphasizes the book's contemporary relevance stating Esther encourages us to grapple with pressing moral issues in light of God's wisdom As a pastor with a passion for communicating God's truths to young people and to the unchurched in our world Dr Roberts shares his personal success in using the books of Ezra Nehemiah and Esther to address contemporary needs Not only is this commentary well written and carefully researched but as an added plus Dr Roberts deep faith and his dynamic relationship with Christ shine through every page As Dr Lloyd Ogilvie says in the editor's preface the author of this fine volume is vulnerable open and honest about how the Scriptures he explains have impacted his own life Marked by the excellence you have come to expect in the Communicator's Commentary series this latest volume wrestles with difficult questions such as the rightful place of Esther in the canon and the puzzling roles of Sheshbazzar and Zerubbabel provides a wide range of quotations and anecdotes from modern and classical sources to help us communicate God's message today and offers balance of exegetical historical and literary analysis along with penetrating applications of the truths reflected in these texts As communicators Dr Ogilvie says we all long for those magnificent moments in our preparation when we are gripped with an inspired insight into a passage of Scripture that prompts us to exclaim that will preach We are filled with excitement and enthusiasm to share what we've discovered This is exactly what will happen as you study this commentary It is power packed and brimming over with new insight into familiar passages *Ezra, Nehemiah, Esther* Mark Roberts, 1987-12 *The Preacher's Commentary - Vol. 11: Ezra / Nehemiah / Esther* Mark D. *Ezra and Nehemiah* Joseph Too Shao,Rosa Ching Shao,2019-06-30 The books of Ezra and Nehemiah illustrate how leaders of God s people confronted the challenges facing the Jews during the post exilic period of Israel Zerubbabel inspires the people of God to rebuild the temple Ezra leads them in renewing their faith in God and Nehemiah rebuilds the wall and importantly the people as well The examples in these books of leading through challenges and opposition by trusting the Lord and committing to prayer testify to how God s gracious hand guides and blesses his people at each step The careful exposition of these two books provides a valuable model for us to balance prayer and action with contextual application and how the full obedience of leaders can lead to communities being transformed The Asia Bible Commentary series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible      [The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation](#) Leslie C.
