**The Community Development Process. The Rediscovery of Local Initiative** William Wishart Biddle,1970      **The Community Development Process** William Wishart Biddle,1965      **Introduction to Community Development** Jerry W. Robinson,Gary Paul Green,2011 Introduction to Community Development provides students of community and economic development with a theoretical and practical introduction to the field of community development Bringing together leading scholars in the field of community development the book follows the curriculum needs in offering a progression from theory to practice beginning with a theoretical overview an historical overview and the various approaches to community development      The Community Development Process William Wishart Biddle,Loureide J. Biddle,1965 USA Study of community development methods and possibilities Case studies of rural areas and of urban areas community development Relation to national planning social sciences religion and education Bibliography pp 297 to 324      **The Community Development Process** Arthur Pearl,1965      *The community development process* William Wishart Biddle,1965      The Community Development Process. The Rediscovery of Local Initiative. [By] William W. Biddle with the Collaboration of Loureide J. Biddle William Wishart BIDDLE,Loureide J. BIDDLE,1965      The community development reader Craig, Gary,Mayo, Marjorie,2011-05-18 Community development emerged as a recognisable occupational activity in the United Kingdom in the 1950s Since then whilst struggling to remain true to its basic values it has often been manipulated to serve differing policy and political purposes This unique Reader traces its changing fortunes through a selection of readings from key writers It will be invaluable to those pursuing community development careers for activists and for all those teaching training and practising community development      *The Role of Gender in Practice Knowledge* Josefina Figueira McDonough,F. Ellen Netting,Ann Nichols Casebolt,2018-10-24 Feminist critiques of the social sciences are based on the assumption that because the social sciences were developed for the most part by white middle class Western men the perspectives of women were ignored This book offers an approach for integrating gender related content into the social work curriculum The distinguished contributors discuss the shortcoming of dominant knowledge address the pressing need for a gender integrated curriculum consider the pedagogies consistent with the implementation of an integrate curriculum address specific areas in social work education assessing content and assumptions and discuss strategic issues for the implementation of curricular knowledge      **Research in Education** ,1969      Poverty in Common Alyosha Goldstein,2012-03-23 This work looks at inter related post WWII case studies to analyze the ways in which different groups mostly governmental agencies and emerging activist organizations invoked the idea of community in anti poverty initiatives during the late 1950s and 1960s      **Connecting the Dots** Peggy Wireman,2017-09-08 Despite its size and social diversity the United States is one nation and what happens in one city or neighborhood ultimately affects all Americans Connecting the Dots addresses the complex relationships between family and community and between community and other players

affecting family and community life including the private sector government nonprofit groups and religious organizations Contrary to much rhetoric Wireman argues that America does not suffer from a loss of family values but from a shift in business practices and public commitments The American dream of work hard buy a home and give your children a better life is no longer realistic for millions of workers both white collar and blue collar At an individual level millions of Americans face significant challenges as they go about trying to meet the everyday responsibilities of earning an income feeding their families maintaining their health finding housing handling everyday household chores and caring for their children Besides identifying top down structures laws and attitudes that create a supportive context for family life the book includes bottom up anecdotal examples to ground its policy oriented discussion It also provides statistical data needed to develop realistic solutions Wireman examines diversity as well since how America handles racial and ethnic differences remains crucial to its future She discusses ways in which communities have created social capital community cohesion and local organizational ability Wireman provides a framework for policymakers local community leaders and neighborhood activists to use in analyzing their situations and selecting the best approach she also describes what various players can and must do to uphold the American dream Connecting the Dots will be of keen interest to sociologists political scientists economists and social workers

*The Ecology of Prevention* Robert E Hess, 2014-06-03 This provocative volume offers an enlightening look at mental health consultation as a preventive service To enhance the prospects of consultation being preventive consultation is defined as an ecological enterprise Although attention is given to outcomes process is the key in this book This beneficial volume presents ten valuable principles to guide the work of a consultant plus case studies representing different topics self esteem of high school students in rural Oregon child abuse prevention in a rural and urban setting in Iowa a junior high school consolidation in Maryland and preventive services for Lutheran congregations in Minnesota Each of the authors of the four case examples in their actual consultation and in their descriptions of their consultation have extended and elaborated what it means to think ecologically Following an unusual format the comments from the recipients of the interventions described in the case studies have been included as a reminder that prevention in its truest spirit involves partnerships that subjects or consultees have feelings and opinions about their participation and that subjective data are as important as objective data

**Sustainable Development in Amazonia** Kei Otsuki, 2013 This book argues against the assumption that sustainability and environmental conservation are naturally the common goal and norm for everyone in Amazonia This is the first book focusing on agency reflexivity and social development to address sustainable development in the region It discusses the importance of looking into societal dynamics in order to deal with deforestation and sustainable development policies through the ethnography of an Amazonian settlement named New Paradise This book demystifies utopian and overtly conservationist views that depict the Amazon rainforest as a troubled paradise Engaging with social theory of practice with particular focus on emergentist perspectives and Foucault's analysis of heterotopia the author shows that Amazonia is a set

of settlement heterotopias in which various local and external initiatives interact to make up real lived in places The settlers placemaking continually rearranges power and material relations while the process usually emphasises utopian developmentalist and conservationist policy intervention This book explores in detail how as power relations are arranged and governance reshaped sustainable development and construction of a green society also need to become a goal for the settlers themselves The book s insights on the relationship between the sustainable development frameworks used in environmental policy and ongoing societal development on the ground inform debate both within Amazonia and in comparable communities worldwide It also offers institutional pathways to realise new more engaging policy intervention for development professionals and policy makers      *Sustaining Preachers and Preaching* George Lovell,Neil

Richardson,2011-01-13 A textbook on preaching from an ecumenical perspective covering the foundations and practice of preaching      **Origins of Mass Communications Research During the American Cold War** Timothy Glander,1999-12 This critical examination of the origins of mass comm research from the perspective of an educational historian investigates the educational meaning of the mass media with the goal of understanding the essential connection between educ and comm
