## **The Complete Gilbert And Sullivan Opera Guide:**

**The Complete Gilbert & Sullivan Opera Guide** Alan Jefferson, William Schwenck Gilbert, 1984 Provides anecdotes and a synopsis of all 14 operas as well as the complete libretto of each opera

**The Complete Annotated Gilbert and Sullivan** Arthur Sullivan, William Schwenck Gilbert, 1996 The Complete Annotated Gilbert and Sullivan provides the complete text of all the Gilbert and Sullivan operas which are still performed today together with extensive annotations covering lost songs alterations and additions obscure allusions production points and comments of interest Each opera has an introduction which places it in its context and a potted history of performances up to the present No other book provides such extensive commentary on the texts of the Savoy Opera nor such a source of innocent merriment to fans of the incomparable Victorian duo For each opera there is a short introduction describing how the work came to be written and giving its performance history The text including stage directions is given on the right hand page and on the left keyed in by line numbers are notes These give such information as the identity of a real life person appearing or mentioned as a character wordings that were different in the original edition the one sent to the Lord Chamberlain for licensing changes made for the first American performance glosses on technical terms e g legal terms literary references cross references to similar items in other Savoy operas comments from first night critics and many other things

**The Life and Times of Gilbert and Sullivan** Jim Whiting, 2019-12-05 What is probably the most famous pairing in musical history began without fanfare in 1871 when writer William S Gilbert and composer Arthur Sullivan teamed up to produce a Christmas entertainment called Thespis The two men parted ways soon afterward and it took a theatrical promoter named Richard D Oly Carter to reunite them four years later Their first big hit came in 1878 with their operetta H M S Pinafore It reached the United States the following year and created the same excitement that we associate with a major rock concert or blockbuster movie Despite some disagreements the two men produced 11 other operettas before going their separate ways Today Gilbert and Sullivan societies exist all over the world Audiences still enjoy their combination of clever humorous lyrics and tuneful melodies

**Historical Dictionary of Opera** Scott L. Balthazar, 2013-07-05 Opera has been around ever since the late 16th century and it is still going strong in the sense that operas are performed around the world at present and known by infinitely more persons than just those who attend performances On the other hand it has enjoyed periods in the past when more operas were produced to greater acclaim Those periods inevitably have pride of place in this Historical Dictionary of Opera as do exceptional singers and others who combine to fashion the opera whether or not they appear on stage But this volume looks even further afield considering the cities which were and still are opera centers literary works which were turned into librettos and types of pieces and genres While some of the former can be found on the web or in other sources most of the latter cannot and it is impossible to have the whole picture without them Indeed this book has an amazingly broad scope The dictionary section with about 340 entries covers the topics mentioned above but obviously focuses most on composers not just the likes of

Mozart Verdi and Wagner but others who are scarcely remembered but made notable contributions Of course there are the divas but others singers as well and some of the most familiar operas Don Giovanni Tosca and more Technical terms also abound and reference to different genres from antimasque to zarzuela Since opera has been around so long the chronology is rather lengthy since it has a lot of ground to cover and the introduction sets the scene for the rest This book should not be an end but rather a beginning so it has a substantial bibliography for readers seeking more specific or specialized works It is an excellent access point for readers interested in opera

**Opera Plot Index** David Hamilton, William E. Studwell, 2020-11-25 First Published in 1990 Information about individual operas and other types of musical theater is scattered throughout the enormous literature of music This book is an effort to bring that data together by comprehensively indexing plots and descriptions of individual operatic background criticism and analysis musical themes and bibliographical references The principal audience for this general reference guide will be for the non specialist but its hoped that persons specialising in opera would also find it useful

How Quaint the Ways of Paradox! Philip H. Dillard, 1991 Identifies 968 articles monographs and dissertations by and about Gilbert and Sullivan

*A Most Ingenious Paradox* Gayden Wren, 2006 Most books written on Gilbert and Sullivan have focused on the authors rather than on their work Examining all 14 operas in detail this book offers a fresh look at the works themselves

A.L.A. Catalog, 1926 Isabella Mitchell Cooper, Marion Horton, 1926

**Dickens, Novel Reading, and the Victorian Popular Theatre** Deborah Vlock, 1998-12-10 Dickens novels like those of his contemporaries are more explicitly indebted to the theatre than scholars have supposed his stories and characters were often already public property by the time they were published circulating as part of a current theatrical repertoire well known to many Victorian readers In this 1998 study Deborah Vlock argues that novels and novel readers were in effect created by the popular theatre in the nineteenth century and that the possibility of reading and writing narrative was conditioned by the culture of the stage Vlock resuscitates the long dead voices of Dickens theatrical sources which now only tentatively inhabit reviews scripts fiction and non fiction narratives but which were everywhere in Dickens time voices of noted actors and actresses and of popular theatrical characters She uncovers unexpected precursors for some popular Dickensian characters and reconstructs the conditions in which Dickens novels were initially received

**Musical Theater** Alyson McLamore, 2016-09-16 For Surveys of Musical Theater Music Appreciation courses and Popular Culture Surveys This unique historical survey illustrates the interaction of multiple artistic and dramatic considerations with an overview of the development of numerous popular musical theater genres This introduction provides more than a history of musical theater it studies the music within the shows to provide an understanding of the contributions of musical theater composers as clearly as the artistry of musical theater lyricists and librettists The familiarity of the musical helps students understand how music functions in a song and a show while giving them the vocabulary to discuss their perceptions

**Opera** George Henry Hubert Lascelles Earl of Harewood, 1984

**Reader's Guide to Music** Murray Steib, 2013-12-02 The Reader's Guide to

Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology

**The History of World Theater** Felicia Hardison Londré, Margot Berthold, 1999-01-01 Felicia Londre explores the world of theater as diverse as the Entertainments of the Stuart court and Arthur Miller directing Chinese actors at the Beijing People's Art Theater in *Death of a Salesman* Londre examines Restoration comedies the Comedie Francaise Italian opera seria plays of the Sturm und Grand movement Russian French and Spanish Romantic dramas American minstrel shows Brecht and dialectical theater Dighilev Dada Expressionism Theater of the Absurd productions and other forms of experimental theater of the late 20th century

*A Dictionary of Literary Devices* Bernard Marie Dupriez, 1991-01-01 Comprising some 4000 terms defined and illustrated Gradus calls upon the resources of linguistics poetics semiotics socio criticism rhetoric pragmatics combining them in ways which enable readers quickly to comprehend the codes and conventions which together make up literarity

*Bibliographic Guide to Music* New York Public Library. Music Division, 1984

**Prime Recreations** Bruce Pyne, 2019-01-04 Bruce has created a work totally unique among books of this type He chose to number his chapters with prime numbers and cover material not seen anywhere else Particularly interesting are his chapters on digit patterns and primes forming triangles Nearly half of the length of the book is devoted to eleven a prime number chapters of lists of primes Here the reader will find a delightful and motley m lange of unlikely subjects many with clever titles and all alphabetically arranged Included are primes in sports stock market primes prime temperatures and prime Zip codes The final section of the book which the author designates as Part C contains a complete cross reference of primes found in the book additional tables a glossary a fairly extensive bibliography and a multisection index Any lover of primes and lists should add this book to their personal library
