Focus On: 100 Most Popular Compact Cars Wikipedia contributors, [Heroes, Antiheroes and Dolts](#) Ashton D. Trice, Samuel A. Holland, 2001-08-30 This book is a discussion of 75 of the most popular films in America from 1921 through 1999 and the changes that have taken place in how masculinity is portrayed in the movies over that period of time. Traditionally in popular films men have met challenging tasks but what they accomplish and how successful they are have been drastically changed since the early 1920s. Prior to World War II men were most often presented within the context of a family. After the war men were presented as concerned with issues beyond their immediate families, and after 1970 they were portrayed as being overwhelmed by their situations. Recently popular films have tended to focus on the relationships between men. This work documents these changes over eight decades using the movies as vehicles to illustrate the major transformations.

[Casting Might-Have-Beens](#) Eila Mell, 2015-01-24 Some acting careers are made by one great role and some fall into obscurity when one is declined. Would Al Pacino be the star he is today if Robert Redford had accepted the role of Michael Corleone in *The Godfather*? Imagine Tom Hanks rejecting Uma Thurman, saying that she acted like someone in a high school play when she auditioned to play opposite him in *The Bonfire of the Vanities*. Picture Danny Thomas as *The Godfather* or Marilyn Monroe as *Cleopatra*. This reference work lists hundreds of such stories: actors who didn't get cast or who turned down certain parts. Each entry, organized alphabetically by film title, gives the character and actor, cast, a list of other actors considered for that role, and the details of the casting decision. Information is drawn from extensive research and interviews. From *About Last Night*, which John Belushi turned down at his brother's urging, to *Zulu*, in which Michael Caine was not cast because he didn't look Cockney enough, this book lets you imagine how different your favorite films could have been.
