The Conduct Of Just And Limited War

Michael P. Farrell

The Conduct Of Just And Limited War:

The Conduct of Just and Limited War William Vincent O'Brien, 1981 **Ethics and National Defense** James C. Gaston, Janis Bren Hietala, 1994 *Special operations in US strategy*, **Modern Just War Theory** Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today's students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as those presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics Parameters, 1985 **The Blackwell Companion to Religious Ethics** William Schweiker, 2008-04-15 Written by internationally renowned scholars this Companion maps the moral teachings of the world's religions and also charts new directions for work in the field of religious ethics Now available in paperback this is a rich resource for understanding the moral teachings and practices of the world's religions Includes detailed discussions of issues in moral theory Offers extensive treatment of the world's major religious traditions including Judaism Christianity Islam Buddhism Hinduism Chinese religions and African religions Compares the ways in which the religions provide resources for addressing current moral challenges in areas such as ecology economics global dynamics religious war human rights and other topics The Epochs of International Law Wilhelm G. Grewe, 2013-02-06 Wilhelm G. Grewe's *Epochen der Völkerrechtsgeschichte* published in 1984 is widely regarded as one of the classic twentieth century works of international law This revised translation by Michael Byers of Duke University Durham North Carolina makes this

important book available to non German readers for the first time The Epochs of International Law provides a theoretical overview and detailed analysis of the history of international law from the Middle Ages to the Age of Discovery and the Thirty Years War from Napoleon Bonaparte to the Treaty of Versailles the Cold War and the Age of the Single Superpower and does so in a way that reflects Grewe's own experience as one of Germany's leading diplomats and professors of international law A new chapter written by Wilhelm G Grewe and Michael Byers updates the book to October 1998 making the revised translation of interest to German international lawyers international relations scholars and historians as well Wilhelm G Grewe was one of Germany's leading diplomats serving as West German ambassador to Washington Tokyo and NATO and was a member of the International Court of Arbitration in The Hague Subsequently professor of International Law at the University of Freiburg he remains one of Germany's most famous academic lawyers Wilhelm G Grewe died in January 2000 Professor Dr Michael Byers Duke University School of Law Durham North Carolina formerly a Fellow of Jesus College Oxford and a visiting Fellow of the Max Planck Institute for Comparative Public Law and International Law Heidelberg

Michael Walzer on War and Justice Brian Orend, 2001-03-01 In Michael Walzer on War and Justice Brian Orend offers the first clear and comprehensive look at Walzer's entire body of work He deals with controversial subjects from bullets blood and bombs to the distribution of money political power and health care and surveys both the national and the international fields of justice This is an important book that provides a thought provoking and critical look at some of the most pressing and controversial topics of our time

The Responsibility to Protect International Commission on Intervention and State Sovereignty, International Development Research Centre (Canada), 2001 Responsibility to Protect Research bibliography background Supplementary volume to the Report of the International Commission on Intervention and State Sovereignty

The Grenada Invasion Robert J. Beck, 2019-07-11 Robert Beck's study focuses principally on two related questions First how did the Reagan administration decide to launch the invasion of Grenada And second what role did international law play in that decision The Grenada Invasion draws on extensive interviews and correspondence with key participants and on the recently published memoirs of those who participated in or witnessed the administration's deliberations in order to render a new and more complete picture of Operation Urgent Fury decisionmaking Beck concludes that international law did not determine policy but that it acted briefly as a restraint and then as a justification for action

The Pursuit of Justice James P. Sterba, 2013-12-18 The Pursuit of Justice A Personal Philosophical History is a collection of renowned scholar and philosopher James P Sterba's finest works essays spanning the full spectrum of his illustrious career along with new scholarship on the enduring struggle for justice we face as a society and as individuals in the modern world That struggle or pursuit may be ongoing but as this book details it has come a long way and that progress however frustrating it may be to obtain and secure is a testament to the work to which scholars like Sterba have devoted their lives and careers In Sterba's case that pursuit begins with an analysis of the concept of desert that is thought to be at the core of justice It provides

accounts of retributive and distributive justice and contains a response to the egoist who seeks to undermine any such endeavor. It broadens to include feminist justice, environmental justice, racial justice, and justice for distant peoples and future generations. It is a pursuit that all are invited even required to join and make their very own. *The Oxford Handbook of Practical Ethics* Hugh LaFollette, 2005-09-15. This is a guide to contemporary thought on ethical issues in all areas of human activity: personal, medical, sexual, social, political, judicial, and international, from the natural world to the world of business.

The Ethics of Military Privatization David M. Barnes, 2016-08-25. This book explores the ethical implications of using armed contractors taking a consequentialist approach to this multidisciplinary debate. While privatization is not a new concept for the US military, the public debate on military privatization is limited to legal, financial, and pragmatic concerns. A critical assessment of the ethical dimensions of military privatization in general is missing. More specifically, in light of the increased reliance upon armed contractors, it must be asked whether it is morally permissible for governments to employ them at all. To this end, this book explores four areas that highlight the ethical implications of using armed contractors: how armed contractors are distinct from soldiers and mercenaries, the commodification of force, the belligerent equality of combatants, and the impact of armed contractors on the professional military. While some take an absolutist position wanting to bar the use of private military altogether, this book reveals how these absolutist arguments are problematic and highlights that there are circumstances where turning to private force may be the only option. Recognising that outsourcing force will continue, this book thus proposes some changes to account for the problems of commodification, belligerent equality, and the challenge to the military profession. This book will be of interest to students of private security, military studies, ethics, security studies, and IR in general.

Through Alternative Lenses Daniel J. Kaufman, Jay M. Parker, Patrick V. Howell, Kimberly C. Field, 2004. **The Law of Nations in Political Thought** C. Covell, 2009-07-09. Charles Covell examines the law of nations encountered in the work of major political thinkers from Vitoria to Hegel. He explains how these thinkers contributed to the current theories of natural law and just war and how they played a key role in the elaboration of the principles which are central to the modern system of the law of nations.

The Impact of 9/11 and the New Legal Landscape M. Morgan, 2009-08-31. *The Impact of 9/11 and the New Legal Landscape* is the third volume of the six-volume series *The Day that Changed Everything* edited by Matthew J. Morgan. The series brings together from a broad spectrum of disciplines the leading thinkers of our time to reflect on one of the most significant events of our time.

Justifying the Obligation to Die Ilan Zvi Baron, 2009-06-16. One of the state's key features is its ability to oblige its citizens to risk their lives on its behalf by being sent into war. However, what is it about the state or its equivalent that makes this obligation justifiable? *Justifying the Obligation to Die* is the first monograph to explore systematically how this obligation has been justified. Using key texts from political philosophy and just war theory, it provides a critical survey of how this obligation has been justified and using illustrations from Zionist thought and practice demonstrates how the various arguments for the obligation have functioned.

The obligation to risk one's life for the state is often presumed by theorists and practitioners who take the state for granted but for the Zionists a people without a state but in search of one and who have little history of state based political thought it became necessary to explain this obligation As such this book examines Zionism as a Jewish political theory reading it alongside the tradition of Western political thought and critiques how Zionist thought and practice sought to justify this obligation to risk one's life in war what Michael Walzer termed the obligation to die Finally turning to the political thought of Hannah Arendt the author suggests how the obligation could become justifiable although never entirely justified For the obligation to become at all justifiable the type of politics that the state enables must respect human diversity and individuality and restrict violence so that violence is not a continuation of politics

The Ethics of War Richard Sorabji, David Rodin, 2020-09-10 9 11 and the subsequent invasions of Afghanistan and Iraq have left many people baffled and concerned This interdisciplinary study of the ethics of war provides an excellent orientation not only to present but also to future conflicts It looks both back at historical traditions of ethical thought and forward to contemporary and emerging issues The Ethics of War traces how different cultures involved in present conflicts have addressed similar problems over the centuries Distinguished authors reflect how the Graeco Roman world Byzantium the Christian just war tradition Islam Judaism Hinduism and the Geneva Conventions have addressed recurrent ethical problems of war Cutting edge essays by prominent modern theorists address vital contemporary issues including asymmetric war preventive war human rights and humanitarian intervention Distinguished academics ethical leaders and public policy figures have collaborated in this innovative and accessible guide to ethical issues in war

On War and Morality Robert L. Holmes, 2014-07-14 The threat to the survival of humankind posed by nuclear weapons has been a frightening and essential focus of public debate for the last four decades and must continue to be so if we are to avoid destroying ourselves and the natural world around us One unfortunate result of preoccupation with the nuclear threat however has been a new kind of respectability accorded to conventional war In this radical and cogent argument for pacifism Robert Holmes asserts that all war not just nuclear war has become morally impermissible in the modern world Addressing a wide audience of informed and concerned readers he raises dramatic questions about the concepts of political realism and nuclear deterrence makes a number of persuasive suggestions for nonviolent alternatives to war and presents a rich panorama of thinking about war from St Augustine to Reinhold Niebuhr and Herman Kahn Holmes's positions are compellingly presented and will provoke discussion both among convinced pacifists and among those whom he calls militarists Militarists we realize after reading this book include the majority of us who live a friendly and peaceful personal life while supporting a system which if Holmes is correct guarantees war and risks eventual human extinction Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable

paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Why Not Preempt?** Rachel Bzostek, 2016-02-11 Anticipatory military activities which include both preemptive and preventive military actions are at the centre of American strategic doctrine however states rarely use these activities Rachel Bzostek puts forward an integrated analysis to help understand why states have or have not undertaken such activities in the past By exploring what kinds of strategic or structural elements compel states or leaders to take anticipatory military action as well as how these concepts are viewed in both international law and the just war tradition this book uses case studies to examine those elements that have played an influential role in the decision making process Ideal as a course reader for upper division undergraduate and graduates in security studies international law US foreign policy and those involved in the teaching and training of the military

The Conduct Of Just And Limited War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Conduct Of Just And Limited War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Conduct Of Just And Limited War PDF books and manuals is convenient and cost-effective, it is vital

to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Conduct Of Just And Limited War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Conduct Of Just And Limited War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Conduct Of Just And Limited War is one of the best book in our library for free trial. We provide copy of The Conduct Of Just And Limited War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Conduct Of Just And Limited War. Where to download The Conduct Of Just And Limited War online for free? Are you looking for The Conduct Of Just And Limited War PDF? This is definitely going to save you time and cash in something you should think about.
