National Archives and Records Administration,1985 Aids for Genealogical Research United States. National Archives and Records Administration,1992 **A Sourcebook for Genealogical Research** Foster Stockwell,2015-09-18 Genealogists can sometimes require obscure resources when in search of information about ancestors Tracking down records to complete a family tree can become laborious when the researcher doesn't know where to begin looking Many of the best resources are maintained regionally or even locally and aren't widely known This reference work serves as a guide to both beginning and experienced genealogy researchers The sourcebook is easily accessible and usable featuring approximately 270 entries on all aspects of genealogical research and family history compilation The entries are listed alphabetically and cross referenced so any researcher can quickly find the information he or she is seeking Each state and each of the provinces of Canada has its own entry other countries are listed under appropriate headings The author also provides more than 700 addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births deaths marriages or other life events in order to complete a family tree **Reference Information Paper** ,2007 **Submarine Warfare In The Civil War** Mark Ragan,2009-04-30 Many people have heard of the Hunley the experimental Confederate submarine that sank the USS Housatonic in a daring nighttime operation Less well known however is that the Hunley was not alone under the waters of America during the Civil War Both the Union and Confederacy built a wide and incredible array of vessels that could maneuver underwater and many were put to use patrolling enemy waters In *Submarine Warfare in the Civil War* Mark Ragan who spent years mining factory records and log books brings this little known history to the surface The hardcover edition *Union and Confederate Submarine Warfare in the Civil War* was published to wide acclaim in 1999 For this new paperback edition Ragan has revised and updated the text to include the full story of the Hunley's recovery and restoration News from the Archives United States. Requiem for a Lost City Sarah Conley Clayton, 1999 Requiem for a Lost City shows us the reality of Civil War Atlanta from the eve of secession to the memorials for the fallen through the memories of a participant Sallie Clayton would have been the same age as the fictional Scarlett O'Hara during the Civil War Sallie Clayton's memoirs however are not a work of fiction but bittersweet reminiscences of growing up in a doomed city in the midst of losing a war Although her memoirs provide invaluable detail on Civil War Atlanta they also tell of her personal experiences on a plantation in Montgomery Alabama and in postwar Augusta and Athens Sallie Clayton belonged to one of Georgia's wealthiest and most prominent families Her memoirs are colored by the losses suffered by her family Robert Davis's introduction to this work illustrates the background of the Claytons Sallie's writings and Civil War Atlanta providing a balanced account of life at the crossroads of the Confederacy The introduction also provides a corrective to the popular Gone With the Wind view of Civil War Atlanta
