## **The Confessions Of Judas:**

Confessions of God Johnthomas Didymus, 2010-07 While Jesus died slowly and painfully on a cross at Golgotha three men in a Jerusalem upper room sat in on a sinister resurrection conspiracy which they never thought would change world history Who were these men What were their motives Who was the young man in long white garment the disciples found sitting in Jesus tomb on the morning of Jesus resurrection Mark 16 5 What happened to the body of Jesus missing on the resurrection morning Maverick Professor John Thomas Didymus a creative but sensitive mind unable to find succor in the age old traditions of Christianity receives while recuperating on a psychiatric hospital bed on the Isle of Patmos healing divine visitations and empowering trumpet call revelations of new Gospel truth He reviews the historical evidence for a conspiracy theory of the resurrection in a compelling but disturbing alternative historical account of behind the gospel scene political power intrigue and counter intrigue trailing the ministry of Jesus from Galilee to Judea Golgotha the resurrection conspiracy and beyond Rebounding finally from the depths of mental illness back to his job at the university and now succored by his former nurse Mary Magdalene John Thomas Didymus s career builds up into an apocalyptic confrontation with his colleagues of the ivory towers who ridicule his alternative gospel his pet Metaphysical Theory of Everything A theory designed to grasp the entire spacetime fabric of reality in one fell swoop A theory the cognitive mutations of a mind functioning precariously dangerously on the edge of mental chaos beyond mere genius bearing his cross amid hostile jeers and taunts Christ like to Golgotha on a lonely narrow ascending cognitive bio evolutionary pathway to infinity **The watches of the sacred**

**Passion, with before and after** Peter Gallwey, 1895 **The Chinese Recorder** , 1913 **Raid on the Articulate** John Dominic Crossan, 2008-03-01 John Dominic Crossan s In Parables demonstrated how Jesus s parables demolished an idolatry of time In this book he shows how the parables likewise preclude an idolatry of language In a new creative synthesis Raid on the Articulate juxtaposes the sayings and parables of Jesus with the works of modern Argentine writer Jorge Luis Borges to reveal fresh interpretations Crossan locates both men as literary iconoclasts parablers who can evoke for us the other side of silence The gift they bring is cosmic eschatology the ability to stand on the brink of nonsense and absurdity and not be dizzy The discussion begins with Comedy and Transcendence a comedy too deep for laughter Language is seen most openly and acknowledged most freely as structured play opening the narrow gate to transcendence This precludes language being mistaken for the gate itself This in turn raises the question of Form and Parody As Crossan writes Why mock the craftsman skilled in silver and gold and not mock the artisan skilled in form and genre What if the aniconic God became trapped in icons made of language In Jesus we find the most magisterial warning against graven words and encapsulation of God in case law proverb or beatitude When Jesus says Whoever seeks to gain his life will lose it he presents a paradox insoluble by faith in language Borges performs a similar function in literature when he inserts footnotes referring to nonexistent books Both are arguing against the idolatry of imprisoning reality in the words that point to it Parable and Paradox makes the case for

parable as paradox formed into story It is in this context that Jesus and Borges must be understood Analyzing many of Jesus's parables especially The Good Samaritan and comparing them structurally to Borges's work Crossan sees them as single or double reversals of their audiences most profound expectations It is these that lend them both their power and their paradox Raid on the Articulate concludes with considerations of the plasticity of time in Jesus and Borges and what finally we can say about them as men from their fragile and aphoristic art Emphasizing both biblical and literary materials John Dominic Crossan achieves a deepened understanding of New Testament texts and forms an understanding possible only when the unique literary aspect of Jesus's sayings is acknowledged **Chinese Recorder and Missionary Journal**, 1913

*Narrative Criticism of the New Testament* James L. Resseguie, 2022-10-25 Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture James Resseguie suggests that this approach to reading the Bible treats the text as a self-contained unit and avoids complications raised by other critical methods of interpretation Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text He then devotes chapters to the principal rhetorical devices setting point of view character rhetoric plot and reader Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible **Text &**
