*The Confessions of Nat Turner* Nat Turner, Thomas R. Gray, 2013-10 The late insurrection in Southampton has greatly excited the public mind and led to a thousand idle exaggerated and mischievous reports It is the first instance in our history of an open rebellion of the slaves and attended with such atrocious circumstances of cruelty and destruction as could not fail to leave a deep impression not only upon the minds of the community where this fearful tragedy was wrought but throughout every portion of our country in which this population is to be found Public curiosity has been on the stretch to understand the origin and progress of this dreadful conspiracy and the motives which influences its diabolical actors The insurgent slaves had all been destroyed or apprehended tried and executed with the exception of the leader without revealing anything at all satisfactory as to the motives which governed them or the means by which they expected to accomplish their object Everything connected with this sad affair was wrapt in mystery until Nat Turner the leader of this ferocious band whose name has resounded throughout our widely extended empire was captured This great Bandit was taken by a single individual in a cave near the residence of his late owner on Sunday the thirtieth of October without attempting to make the slightest resistance and on the following day safely lodged in the jail of the County His captor was Benjamin Phipps armed with a shot gun well charged Nat s only weapon was a small light sword which he immediately surrendered and begged that his life might be spared Since his confinement by permission of the Jailor I have had ready access to him and finding that he was willing to make a full and free confession of the origin progress and consummation of the insurrectory movements of the slaves of which he was the contriver and head I determined for the gratification of public curiosity to commit his statements to writing and publish them with little or no variation from his own words That this is a faithful record of his confessions the annexed certificate of the County Court of Southampton will attest They certainly bear one stamp of truth and sincerity He makes no attempt as all the other insurgents who were examined did to exculpate himself but frankly acknowledges his full

participation in all the guilt of the transaction He was not only the contriver of the conspiracy but gave the first blow towards its execution It will thus appear that whilst every thing upon the surface of society wore a calm and peaceful aspect whilst not one note of preparation was heard to warn the devoted inhabitants of woe and death a gloomy fanatic was revolving in the recesses of his own dark bewildered and overwrought mind schemes of indiscriminate massacre to the whites Schemes too fearfully executed as far as his fiendish band proceeded in their desolating march No cry for mercy penetrated their flinty bosoms No acts of remembered kindness made the least impression upon these remorseless murderers Men women and children from hoary age to helpless infancy were involved in the same cruel fate Never did a band of savages do their work of death more unsparingly Apprehension for their own personal safety seems to have been the only principle of restraint in the whole course of their bloody proceedings And it is not the least remarkable feature in this horrid transaction that a band actuated by such hellish purposes should have resisted so feebly when met by the whites in arms Desperation alone one would think might have led to greater efforts More than twenty of them attacked Dr Blunt s house on Tuesday morning a little before day break defended by two men and three boys They fled precipitately at the first fire and their future plans of mischief were entirely disconcerted and broken up Escaping thence each individual sought his own safety either in concealment or by returning home with the hope

The Confessions of Nat Turner, the Leader of the Late Insurrection in Southampton, Virginia Nat Turner, 2011-09-01

Perhaps no other moment in history crystallized the fears of slave owners in the South like the August 21 22 1831 slave insurrection led by Nat Turner in Southampton Virginia The

Confessions of Nat Turner details Turner's life and the events surrounding that armed revolt which left more than fifty men, women, and children dead and that culminated in Turner's execution. Interviewed by Thomas R. Gray while in prison for his crimes, Turner begins his story with his earliest childhood memories, and the subsequent narrative leads the reader through his decision, formed over years in slavery, to strike for freedom. He discusses his religious conversion and his belief that he was called by God to murder slave owners. He spares no detail as he describes each murder he oversaw or committed. Unique in its historical moment and powerful voice, *The Confessions of Nat Turner* provides an uncensored look into one of the key events in the slave holding South.

Nat Turner, Nat Turner enslaved preacher and prophet marshaled dozens of his followers for a violent revolt that left fifty-five white people dead in Southampton County, Virginia. As the myth of the contented slave dissolved, the South panicked. Captured, tried, and convicted, Turner dictated his confessions to a local lawyer. Though some questions endure around the reliability of the narrative, as well as the place that such a complex figure should occupy in our historical consciousness, what is inarguable is that this 1831 rebellion marked an inflection point in America's racial conflict. To this day, *The Confessions of Nat Turner* inspires profound and provocative questions as the United States still wrestles with its own troubled past.
