Duskin,2001-03-08 Stalinist Reconstruction and the Confrontation of a New Elite 1945 53 looks at the postwar Stalin era through the eyes of industrial supervisors and offers a picture of the technical intelligentsia s transformation into the Soviet Union s social and political elite Drawing from archives newspapers memoirs and an array of secondary sources the book reveals new aspects of the Stalin phenomenon and concludes that contrary to prior assumptions the late Stalin years marked the Soviet Union s passage from the convulsion and disorder of revolution to the routinized professionalization common to most industrial societies The Confirmation of Faith by Reason and Authority. right choice Remember we get to make the choice God has left that up to us Joyce Michal has devoted her past 16 years to other people s needs Her entrepreneur spirit has directed her how to do all things through Christ who strengthens her She wasn t an avid reader but now finds herself writing a book in order to tell people about a dream God gave her nineteen years ago that drove her to success God is still in the miracle business Can one do that without a good education Evidentially so she has managed to do it with the help of her personal savior Jesus We can do all things
