or hypocrisy to say there is no ground for these statements They are made by loyal and loving sons of the State who make them with regret and only in the hope that by laying bare the truth a change may become possible If by the following words a little impetus be given to the cause of good government and toward restoring Connecticut to her former position of leadership in the march of constitutional progress the writer will be satisfied About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
