The Conscript Gebreyesus Hailu, 2012-01-23 Eloquent and thought provoking this classic novel by the Eritrean novelist Gebreyesus Hailu written in Tigrinya in 1927 and published in 1950 is one of the earliest novels written in an African language and will have a major impact on the reception and critical appraisal of African literature The Conscript depicts with irony and controlled anger the staggering experiences of the Eritrean ascari soldiers conscripted to fight in Libya by the Italian colonial army against the nationalist Libyan forces fighting for their freedom from Italy's colonial rule Anticipating midcentury thinkers Frantz Fanon and Aimé Césaire Hailu paints a devastating portrait of Italian colonialism Some of the most poignant passages of the novel include the awakening of the novel's hero Tuquabo to his ironic predicament of being both under colonial rule and the instrument of suppressing the colonized Libyans The novel's remarkable descriptions of the battlefield awe the reader with mesmerizing images both disturbing and tender of the Libyan landscape with its vast desert sands oases horsemen foot soldiers and the brutalities of war uncannily recalled in the satellite images that were brought to the homes of millions of viewers around the globe in 2011 during the country's uprising against its former leader Colonel Gaddafi

The conscript's mother, 186? **The Conscript + Waterloo (Historical Novel)** Erckmann-Chatrian, 2022-01-04 While other novelists center attention on the heroism and adventures of the Napoleonic era Erckmann and Chatrian describe the ugly side of wars directing our attention to the exhaustion and suffering of simple peaceful people forced to sustain the well being of the army The mood of both stories is reflected in the opening words of Waterloo Everybody was tired of living like a bird on a branch and of risking their lives for matters which did not concern them Yet people's expectations didn't come true The novel Conscript tells about the war in Moscow of 1813 The troops needed reinforcement and it was provided with the conscript campaign of 1813 We learn about that time from a narrator a watchmaker apprentice who lived a peaceful life before being taken to the army In those times most people celebrated Napoleon's glory and even the thoughts of the possible defeat seemed sinful A few old Republicans would shake their heads and mutter over their wine that the Emperor might yet fall but they passed for fools tells the narrator whose life changes drastically He is to face all the horrors of war and defeat the infamous retreat which is later followed by his surprise of the second campaign which had even more disastrous consequences The topic of the second novel in a bundle The Waterloo is clear from the name itself as it became a synonym of a disastrous defeat on the battlefield Like in Conscript the main motive of the story is the suffering of peaceful people forced to go to war

The Conscript, an Historical Novel Emile Erckmann, 1903 *The Soldier's Reward* Jennifer Ngaire Heuer, 2024-12-03 A sweeping history of intimacy and family life in France during the age of revolution The French Revolution and Napoleonic Wars devastated Europe for nearly a quarter of a century The Soldier's Reward recovers the stories of soldiers and their relationships to

family and domestic life during this period revealing how prolonged warfare transformed family and gender dynamics and gave rise to new kinds of citizenship In this groundbreaking work combining social cultural gender and military history Jennifer Ngaire Heuer vividly describes how men fought for years with only fleeting moments of peace Combatants were promised promotion financial gain and patriotic glory They were also rewarded for their service by being allowed to return home to waiting families and love interests and with marriages that were arranged and financially supported by the state Heuer explores competing ideas of masculinity in France as well as the experiences of the men and women who participated in such marriages She argues that we cannot fully understand the changing nature of war and peace in this period without considering the important roles played by family gender and romantic entanglements Casting new light on a turbulent era of mass mobilization and seemingly endless conflict *The Soldier's Reward* shows how from the Revolution through the Restoration war intimacy and citizenship intersected in France in new and unexpected ways *Jeannette & Jeannot, Or The Conscript's Vow* William Hawthorne Eburne, 1852 *The Living Age*, 1916 *Littell's Living Age*, 1916 **The Literary Digest** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1916 **Once a Week** Eneas Sweetland Dallas, 1864 *Music of the Civil War Era* Steven H. Cornelius, 2004-08-30 As divisive and destructive as the Civil War was the era nevertheless demonstrated the power that music could play in American culture Popular songs roused passion on both sides of the Mason Dixon line and military bands played music to entertain infantry units and to rally them on to war The institution of slavery was debated in songs of the day ranging from abolitionist anthems to racist minstrel shows Across the larger cultural backdrop the growth of music publishing led to a flourishing of urban concert music while folk music became indelibly linked with American populism This volume one of the first in the American History through Music series presents narrative chapters that recount the many vibrant roles of music during this troubled period of American history A chapter of biographical entries a dictionary of Civil War era music and a subject index offer useful reference tools The American History through Music series examines the many different styles of music that have played a significant part in our nation's history While volumes in this series show the multifaceted roles of music in culture they also use music as a lens through which readers may study American social history The authors present in depth analysis of American musical genres significant musicians technological innovations and the many connections between music and the realms of art politics and daily life Chapters present accessible narratives on music and its cultural resonations music theory and technique is broken down for the lay reader and each volume presents a chapter of alphabetically arranged entries on significant people and terms **The Life of Mother Mary of Jesus** Pierre Suau, 1913
