*Childhood in the Contemporary English Novel* Sandra Dinter, 2019-10-10 Since the 1980s novels about childhood for adults have been a booming genre within the contemporary British literary market *Childhood in the Contemporary English Novel* offers the first comprehensive study of this literary trend Assembling analyses of key works by Ian McEwan Doris Lessing P D James Nick Hornby Sarah Moss and Stephen Kelman and situating them in their cultural and political contexts Sandra Dinter uncovers both the reasons for the current popularity of such fiction and the theoretical shift that distinguishes it from earlier literary epochs The book's central argument is that the contemporary English novel draws on the constructivist paradigm shift that revolutionised the academic study of childhood several decades ago Contemporary works of fiction Dinter argues depart from the notion of childhood as a naturally given phase of life and examine the agents' interests and conflicts involved in its cultural production Dinter also considers the limits of this new theoretical impetus observing that authors and scholars alike even when they claim to conceive of childhood as a construct do not always give up on the idea of its natural core Accordingly this book reconstructs how the English novel between the 1980s and the 2010s oscillates between an acknowledgment of constructivism and an endorsement of childhood as the last irrevocable quintessence of humanity In doing so it successfully extends the literary and cultural history of childhood to the immediate present (No.18) *The Contemporary English Novel* Stratford-upon-Avon Studies Series, 1979 **The Contemporary English Novel** Malcolm Bradbury, David John Palmer, 1980 *Voices and Silence in the Contemporary Novel in English* Vanessa Guignery, 2009-10-02 This volume examines the various processes at work in expressing silence and excessive speech in contemporary novels in English covering the whole spectrum from effusiveness to muteness Even if in the postmodern episteme language is deemed inadequate for speaking the unspeakable contemporary authors still rely on voice as a mode of representation and a performative tool and exploit silence not only as a sign of absence block or withdrawal but also as a token of presence and resistance Logorrhoea and reticence are not necessarily antithetical as compulsive verbosity may work as a smokescreen to sidestep the real issues while silences and gaps may reveal more than they hide By submitting their texts to both expansion and retention hypertrophy and aphasia writers persistently test the limits of language and its ability to make sense of individual and collective stories The present volume analyses the complex poetics of silence and speech in fiction from the 1960s to the present with special focus on Will Self Graham Swift John Fowles Kazuo Ishiguro Jenny Diski Lionel Shriver Michelle Roberts Margaret Atwood Jonathan Safran Foer Salman Rushdie Arundhati Roy Zadie Smith Jamaica Kincaid Ryhaan Shah and J M Coetzee *A Reader's Guide to the Contemporary English Novel* Frederick Robert Karl, 1981 *The Novel Today* Malcolm Bradbury, 1977 Britain's most important contemporary authors reflect intelligently and imaginatively on the nature and development of the modern novel **The Survival of the Novel** Neil McEwan, 1981-11-26 **The Cambridge Introduction to Modern British Fiction, 1950-2000** Dominic Head, 2002-03-07

*An Introduction to the English Novel* Arnold Kettle, 2016-03-17 First published in 1953 this book forms the second part of Arnold Kettle's *An Introduction to the English Novel* In this second part Kettle builds a discussion of the modern English novel around the study of various books that have a more than casual significance in its development He begins with an analysis of James Hardy and Butler three late Victorian writers whose work points forward to the major preoccupations of twentieth century novelists In his discussion of a dozen or so of these points the author examines their progress in the long struggle of the novelist to see life steadily and whole and points out some of the problems and hazards that beset the writer still The selection both of novelists and their work is excellent it is both shrewd and witty The Times Literary Supplement Altogether this is a refreshing challenging and original work wholly adult in tone and never pedantic or dull The Guardian
