languages and NIV and Greek text of Hebrews focuses on the thought beliefs message that are unique to this biblical author without reference to any possible person tradition has considered as the author lest such a reference determine all possible outcomes of this study. The various theories of authorship are studied in the Introduction but the message in its entirety is of unusual significance for Christian Jewish thought and relationships and the development of the Christian Jewish church in the first century and today The So called epistle in shell is actually a theological treatise and impassioned sermon to those facing extreme forms of persecution and efforts to coerce denial of the faith These believers are faced with an accepted legal status as Jews in the Roman Empire versus the people of the Way that was viewed as sectarian by the Jews and as an illegal sect by Rome The guick expansion of the church into the Roman world under the emphases and apologetics of Paul combating some opposition to his message both in the Jewish leadership as well as in the Jewish Christian churches The cruciality of holding on to the eternal truths of the past and not compromising the truth in Jesus of Nazareth places this writing front and center to the basic questions of the relationships of church and Judaism The stance of this author is that of mainline Evangelical thought with awareness of the Wesleyan Lutheran Anabaptist and Calvinistic emphases as well as others The issues of text canon and history of interpretation are specialized studies not covered in this commentary Communicator's Commentary Myron S. after Christ is to encourage readers to base their lives on nothing other and nothing less than Jesus A substantive bibliography and a comprehensive introduction precede Ellingworth's commentary and three indexes of subjects authors and Hebrews Dr. Matthew N. <u>Hebrews</u> Louis Hadley Evans,1985 **Preaching Hebrews** Douglas D. Webster,2017-10-09 Hebrews is a powerful meditation on the gospel It is a sixty minute sermon delivered to a worshiping congregation The spiraling impact of

theological exposition and pastoral exhortation is impressive Hebrews weans us away from our preoccupation with the start of the Christian life and focuses our attention on the perseverance of faith Life is not a sprint it s a marathon Faithfulness to the end affirms faith from the beginning If we let the word of God have its way with us Hebrews will deepen our faith in Christ and strengthen our faithfulness Like Jesus in the Gospels Hebrews sees the fundamental difference between apostasy and faithfulness as the difference between a religion about God and a Christ centered relationship with God Any form of Christianity that competes like other religions for the attention of its adherents through its rituals practices pastors traditions and sacred spaces has fallen back into an obsolete and worldly strategy The pastor calls for a decisive end to religion even the best religion ever conceived The flow of reasoned argument for Christ and against religion along with the pulsating emotional intensity of ultimate issues laid bare and heart felt warnings against complacency and unbelief deliver a powerful and timely message
