S. Merwin,2019-04-20 In this haunting elegantly written memoir W S Merwin recalls in utterly unsentimental prose his youth growing up in a repressed Presbyterian household in the small river towns of New Jersey and Pennsylvania The complex portrait that emerges of a family without language or history transforms the story of their isolated lives into the development of a writer s conscience and a warning about the fate of a middle class eager to obliterate origins This book is superbly written offering deep glimpses into the complexities and mysteries of family bonds with just that distancing from people and events necessary for artistic control Edmund Fuller Wall Street Journal **Summer Doorways** W. S. Merwin,2015-12-01 America today is a mobile society Many of us travel abroad and few of us live in the towns or cities where we were born It wasn t always so Travel from America to Europe became a commonplace an ordinary commodity some time ago but when I first went such departure was still surrounded with an atmosphere of adventure and improvisation and my youth and

inexperience and my all but complete lack of money heightened that vertiginous sensation writes W S Merwin Twenty one married and graduated from Princeton the poet embarked on his first visit to Europe in 1948 when life and traditions on the continent were still adjusting to the postwar landscape Summer Doorways captures Merwin at a similarly pivotal time before he won the Yale Younger Poets Award in 1952 for his first book A Mask for Janus the moment was as the author writes an entire age just before it was gone like a summer     English Poetry -- Tennyson to Whitman ,1910     *Poetry for Junior High Schools* ... Elias Lieberman,1926     *Select Poems of Coleridge, Wordsworth, Campbell, Longfellow* Frederick Henry Sykes,1895     English Poetry in Three Volumes: From Tennyson to Whitman. Alfred, Lord Tennyson ,1910 Vol 1 Chaucer to Gray Vol 2 Collins to Fitzgerald     *The Poetry of Men's Lives* Fred S. Moramarco,Al Zolynas,2004 Alive with the wisdom artistry and emotion of more than 250 poets from nearly one hundred countries this anthology celebrates the multifaceted experience of contemporary manhood The lives into which these poems invite us reveal the influences of culture heredity personal experience values beliefs wishes desires loves and betrayals Men are notoriously reluctant to open up and discuss these things and yet when they do as in these poems they tell us about their families lovers relationships political and religious beliefs sexuality and childhoods There is much to learn here about who men are and how they see their worlds Collects close to three hundred poems in English or English translation by more than 250 poets Nearly one hundred countries are represented from Asia the Middle East Europe Africa South America Central America and the Caribbean North America and Oceania including Australia and New Zealand Organized in topical sections Boyhood and Youth Families Identities Cultural Personal Male Men and Women Myth Archetypes and Spirituality Politics War and Revolution Sex and Sexuality Poets and Poetry Artists and Art Brothers Friends Mentors and Rivals Work Sports and Games Aging Illness and Death     **A Compendium of World Classical Literature** John Antonakos,2016-12-21 The purpose of this book is to encourage readers to read classical books By perusing this book and recognizing the names of various noted authors one will be further inclined to pursue the literature that these authors have composed     Conversations with W. S. Merwin Michael Wutz, Hal Crimmel,2015-05-21 Conversations with W S Merwin is the first collection of interviews with former United States Poet Laureate W S Merwin b 1927 Spanning almost six decades of conversations the collection touches on such topics as Merwin s early influences Robert Graves and Ezra Pound his location within the twin poles of Walt Whitman and Henry David Thoreau and his extraordinary work as a translator as well as his decades long interest in environmental conservation Anticipating the current sustainability movement and the debates surrounding major and minor literatures Merwin was and still is a visionary He is among the most distinguished poets translators and thinkers in the United States A major link between the period of literary modernism and its contemporary extensions Merwin has been a force in American letters for many decades and his translations from the Spanish French Italian Japanese and other languages have earned him unanimous praise and admiration Merwin also wrote at the forefront of literature s environmental advocacy and early on

articulated concerns about ecology and sustainability *Conversations with W S Merwin* offers insight into the various dimensions of Merwin's thought by treating his interviews as a self-standing category in his oeuvre. More than casual narratives that interpret the occasional poem or relay an occasional experience, they afford literary and cultural historians a view into the larger throughlines of Merwin's thinking.
