Unyielding Thomas L. Rempfer,2024-06-11 Unyielding tackles a recurring topic of national importance as a history lesson for future generations Controversial illegal medical mandates impacted military populations for many decades but it was not until the COVID era that the American people witnessed similar overreach Colonel Tom Buzz Rempfer s memoir retraces the anthrax vaccine history since it marked the first time the military was served with court rulings condemning premeditated illegal experimentation on our nation s troops The advent of COVID mandates imposed on the population in 2021 gave the American people a taste of the mistreatment previously reserved for our nation s warriors Legal protections enacted by the Congress to guard against medical experimentation meant to ensure safe effective and FDA approved products were instead adulterated to foist mandates on American society According to the FBI the motive for the anthrax letter lab leaks in 2001 was to rejuvenate the failing anthrax vaccine Similarly the suspected Wuhan lab leak two decades later resulted in a push for COVID injections The pattern of fear based bioincidents resulting from reckless biodefense enterprises and lessons not learned with illegal mandates paralyzed government and military leaders while wreaking havoc on the trust and health of our troops and the American people Buzz s decades long analysis of the breakdowns stands as a

unique treatise on the failures of leaders to learn lessons from these enduring clashes and to correct the damage Future generations will sort out the aftermath but in the meantime Colonel Rempfer's Unyielding effort attempts to ensure that the lessons are not lost Exercise Alternatives for Training Emergency Management Command Center Staffs Walter G. Green, III, 2000 Emergency management provides the coordination needed to develop an effective community response to disasters This critical public safety function is typically performed in mobile command posts in the field and in the jurisdiction's emergency operations center Preparing individuals who will work in these facilities to perform their tasks under emergency conditions requires effective and realistic exercise training The Federal Emergency Management Agency provides a five model exercise design for progressive training of emergency management staffs This study examines the history and theoretical basis for exercises From this background it suggests alternatives to these five models to provide greater flexibility in delivery options for specialized training in decision making exercises that will support all phases of emergency management and options for increased realism Among the alternatives suggested are Tactical Decision Games What If Exercises Postal Exercises and a variety of simulation tools The book is accompanied by a detailed appendix that provides specific instructions for each exercise type
