Lesley Stern

Slaughter At Detours End:

The Long Detour James Weinstein, 2009-04-29 The Long Detour is an intellectually engaging overview of the history of socialism in the United States and of the continuing relevance of socialist principles today Historian and journalist James Weinstein a lifelong socialist and one time Communist takes readers from the movement s early years of utopian communities through the heyday of engagement with the makers of corporate America and into the future of a de industrializing era He contends that socialism as a political movement was sidetracked when Communist domination of the American left stifled creative social thought and diverted the traditional left into sterile disputes over the true nature of the Soviet Union And he argues that while real existing socialism which is what the Soviets called their system is dead the humane social principles articulated by Marx and the leaders of the pre 1917 socialist movement remain vitally important to those on the left who seek to realize the promise of American democracy

This Road is a Detour L.A. Ward, 2024-04-11 This Road is a Detour continues the story of Victoria and her quest to find her birth mother She learns about love and must deal with her trust issues in this book This is a fictional story each character is fictional and does not represent any real person The story addresses a real problem of adult bullying and how adults turn on each other to have power in the world where they live Once again Victoria must visit Hillbilly Hell and deal with the family that raised her This road will get Victoria closer to her goal of finding her birth mother and what happened that day so many years ago when Jack and Lucy came into Victoria s life Adult bullying is real and it usually happens to the vulnerable members of our society as they will not fight back In this book you will see that the gang takes on many forms and will try to control the narrative in many ways All situations are fictional and not representative of any real situation Victoria once again uses her strong spirit and wit to create humorous solutions to the problems she faces Victoria continues to find solutions for adult bullying
