Slayers Vol 4:

Buffy the Vampire Slayer Season 8 Volume 4: Time of Your Life Joss Whedon, Various, 2009-05-05 Willow and Buffy head to New York City to unlock the secrets of Buffy's mysterious scythe when something goes terribly awry. Buffy is propelled into a dystopian future where there's only one Slayer: Fray, the title character of Joss Whedon's 2001 series, the first comic he ever wrote. Their uneasy alliance falls apart, leading to the death of a major character from the TV series. While back in the twenty-first century, the Scotland base falls prey to a mystical bomb courtesy of the Biggest Bad, Twilight. The first two volumes of Buffy Season Eight have combined to sell over 160,000 copies. Includes the highly anticipated Buffy Fray crossover *Time of Your Life* and *After These Messages We'll Be Right Back*, written by Jeph Loeb. *Batman: The Long Halloween* Joss Whedon, the man, the myth, the legend, writes the comic with the same genius as he did the show. The art, penciled by Georges Jeanty, is as faboo as the writing. Janet Evanovich, New York Times best-selling author of *Hard Eight*, the dialogue is Whedonesque, and I can hear how the actors would read their lines. It's fun and witty, and we're treated to more fantastical stories than the WB/UPN could ever pony up the money to do. *Comic Book Resources*: A New York Times bestseller. [Queen of the Slayers](#) Nancy Holder, 2005-06 There is no time for Buffy to take a vacation and she could be facing death because there is a lot of evil in the world. *Buffy the Vampire Slayer Season 8 Library Edition Volume 4* Joss Whedon, Brian K. Vaughan, 2013 Series creator Joss Whedon brought Buffy the Vampire Slayer back to life with this comic; only follow up to Season 7 of the television show. This hardcover edition contains the first two arcs of the series plus two one-shots written by Joss Whedon and Brian K. Vaughan: *The Last Man Runaways* with art by the acclaimed Georges Jeanty. *The Buffyverse Catalog* Don Macnaughtan, 2015-08-21 This bibliographic guide covers the Buffyverse, the fictional worlds of the acclaimed television series *Buffy the Vampire Slayer* (1997-2003) and its spinoff *Angel* (1999-2004) as well as the original Buffy feature film of 1992. It is the largest and most inclusive work of its kind. The author organizes and describes both the original texts of the Buffyverse (episodes, DVDs, novels, comic books, games, and more) and the secondary materials created about the shows, including books, essays, articles, documentaries, dissertations, fan production, and websites. This vast and diverse collection of information about these two seminal shows and their feature film forebear provides an accessible, authoritative, and comprehensive survey of the subject. **Portal Through Time** Alice Henderson, 2006-11-28 Buffy thought she'd finished the Master when she dusted him. But in Sunnydale, things have a way of coming back. The Master may be dead, but he is not forgotten. One of the vampire lord's devotees sets out to alter the past so that he can resurrect the Master without Buffy's meddling. When he conjures up a portal to transport his minions through time, the vampires are poised to murder the most powerful slayers in history. It is up to the Scoobies to stop the Master's followers before they break the chain of slayers. Giles, Xander, Willow, and Buffy pursue the vampires back in time through the portal to save the slayers of the past. They must track the bloodsuckers from the French Revolution to the American Civil War without getting detected or worse. But you can't

change the past without changing the present **The Deathless** Keith R. A. DeCandido, 2007-04-24 As if Ring Day weren't enough to make Buffy Summers anxious she can't even afford one of the less expensive silver bands the Slayer has her hands full trying to figure out why an average split level house in Sunnydale has all the vampires spooked When she arrives at the library to discuss this new development with Giles a package he's received from an old folklorist in Russia reveals what's going on The stars are properly aligned for an attempt to resurrect Koschei the Deathless a long dead evil sorcerer So while her classmates are busy choosing rings to demonstrate their school spirit Buffy must figure out how to keep someone from reviving Koschei and should she need to resort to plan B how to kill him again A little investigating soon leads Buffy and the gang to the necromancer who originally killed the sorcerer an immortal Russian sorceress named Yulia Dryanushkina who can control vampires which explains their reluctance to pass by her place of residence When the crew pays Yulia a visit she assures them that with Willow's assistance she would be able to kill the sorcerer again should he be revived Neither Buffy nor Willow are particularly comfortable with aligning themselves with the necromancer but they have no other choice when twenty four hours later the vampires start behaving strangely and half the senior class goes missing **Buffy the Vampire Slayer Season 8 Library Edition Volume 4** Various, 2016-03-23 Season 8's Big Bad is revealed in Buffy and Twilight's second major encounter Buffy realizes she is in a fight to save all of humanity The Slayer reunites with Angel and Spike searching for the one thing that can save the world while the Slayer army crumbles and one in their ranks is lost Collects Season 8 31-40 and the Riley one shot in one value package A New York Times bestseller A great introduction to Buffy in comics *Colony* Laura J. Burns, Melinda Metz, 2005-10 Interactive storylines allow readers to choose more than two dozen possible endings A guest speaker who is actually an ant-like demon queen arrives at Sunnydale to talk about self esteem and to recruit drone-like workers to build her colony Dark Congress Christopher Golden, 2007-08-28 Since the beginning of time the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future This centennial event was called the Dark Congress In the second century b.c however the Dark Congress failed to resolve their conflicts Instead the Congress ignited into a war that drove wedges between the various demon races from that time until now And all of it began as a result of Kandida the great North African river demon being nearly killed by forces in the Congress and magically entombed in the riverbank But now Kandida is free and for the first time in centuries the Dark Congress is being called again All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence Rhode Island Some gather in hopes of resolution some in favor of war and Kandida is tasked to broker a treaty and guide the Congress to peace wherein everyone might simply agree to disagree And so the demons gather under a banner of a truce But the demons still harbor many bitter disagreements with one another The Congress must have an arbiter of these conflicts and that someone is Buffy Summers Buffy is horrified and disgusted to be included After all she is not a demon is she She knows so little about her powers that she cannot say for certain where they truly spring from How

can she spend so much time wallowing in the darkness without becoming part of it Can she possibly agree to a truce with all the horrors of the world and allow them to come Providence without any attempt to stop them And does she have a choice
