Sleeping At The Starlite Motel And Other Adventures On The Way Back Home:

Sleeping at the Starlite Motel Bailey White,1996-04-02 Anyone who has read her bestseller *Mama Makes Up Her Mind* or who has heard her on National Public Radio knows that Bailey White is one of the keenest observers of Southern eccentricity since Mark Twain *Sleeping at the Starlite Motel* revives White's reputation as a master storyteller Southern division as it catalogs the oddities of the Georgia town she knows so well *Southern Writers* Joseph M. Flora,Amber Vogel,2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners *Southern Writers* is an indispensable reference book for anyone intrigued by the subject **Quite a Year for Plums** Bailey White,2008-12-10 Anyone who has read the best selling *Mama Makes Up Her Mind* or listened to Bailey White's commentaries on NPR knows that she is a storyteller of inimitable wit and charm Now in her stunningly accomplished first novel she introduces us to the peculiar yet lovable people who inhabit a small town in south Georgia Meet serious studious Roger the peanut pathologist and unlikely love object of half the town's women Meet Roger's ex mother in law Louise who teams up with an ardent typographer in an attempt to attract outer space invaders with specific combinations of letters and numbers And meet Della the bird artist who captivates Roger with the sensible but enigmatic notes she leaves on things she throws away at the Dumpster This fan works but makes a clicking sound and will not oscillate Heartbreakingly tender often hilarious *Quite a Year for Plums* is a delectable treat from a writer who has been called a national treasure *5-Star* *Programming and Services for Your 55 Library Customers* Barbara T. Mates,2003-02-07 As the population approaches 55 and above libraries are faced with an opportunity to serve an underserved population In this handbook Barbara Mates explains the ins and outs of planning developing marketing and finding successful programmes and services for the greying population **The New Georgia Encyclopedia Companion to Georgia Literature** Hugh Ruppersburg,2011-08-15 Georgia has played a formative role in the writing of America Few states have produced a more impressive array of literary

figures among them Conrad Aiken Erskine Caldwell James Dickey Joel Chandler Harris Carson McCullers Flannery O'Connor Jean Toomer and Alice Walker This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature Organized in alphabetical order by author the entries discuss each author's life and work contributions to Georgia history and culture and relevance to wider currents in regional and national literature Lists of recommended readings supplement most entries Especially important Georgia books have their own entries works of social significance such as Lillian Smith's *Strange Fruit* international publishing sensations like Margaret Mitchell's *Gone With the Wind* and crowning artistic achievements including Jean Toomer's *Cane* The literary culture of the state is also covered with information on the Georgia Review and other journals the Georgia Center for the Book which promotes authors and reading and the Townsend Prize given in recognition of the year's best fiction This is an essential volume for readers who want both to celebrate and learn more about Georgia's literary heritage

After O'Connor Hugh Ruppersburg, 2003 Georgia has produced some of the major figures of modern literature including Carson McCullers Erskine Caldwell and most notably Flannery O'Connor While such writers are firmly established in American literary history all too few readers are aware of how the state's tradition of literary excellence persists in the present day The thirty stories in *After O'Connor* were written during the past fifteen years by authors who were born in Georgia or spent a significant part of their lives and careers in this state Embracing the social cultural and ethnic variety in today's Georgia *After O'Connor* both advances and helps redefine the great southern storytelling tradition
