Russian and American Short Story Jeff Birkenstein,Robert C. Hauhart,2021-03-10 In Connections and Influence in the Russian and American Short Story editors Robert C Hauhart and Jeff Birkenstein have assembled a collection of eighteen original essays written by literary critics from around the globe Collectively these critics argue that the reciprocal influence between Russian and American writers is integral to the development of the short story in each country as well as vital to the global status the contemporary short story has attained This collection provides original analyses of both well known Russian and American stories as well as some that might be more unfamiliar Each essay is purposely crafted to display an appreciation of the techniques subject matter themes and approaches that both Russian and American short story writers explored across borders and time Stories by Gogol Dostoevsky Turgenev Chekhov and Krzhizhanovsky as well as short stories by Washington Irving Faulkner Langston Hughes Richard Wright Ursula Le Guin Raymond Carver and Joyce Carol Oates populate this essential multivalent collection Perhaps more important now than at any time since the end of the Cold War these essays will remind readers how much Russian and American culture share as well as the extent to which their respective literatures are deeply intertwined American Short Story since 1950 Kasia Boddy,2010-08-31 The American

Short Story since 1950 offers a reappraisal and contextualisation of a critically underrated genre during a particularly rich period in its history It offers new readings of important stories by key writers including Flannery O Connor John Cheever Donald Barthelme Raymond Carver Lorrie Moore and Grace Paley These readings are related throughout to the various

contexts in which stories are written and published including creative writing schools story writing handbooks mass market and little magazines Handbook of the American Short Story Erik Redling, Oliver Scheiding, 2022-01-19 The American

short story has always been characterized by exciting aesthetic innovations and an immense range of topics This handbook offers students and researchers a comprehensive introduction to the multifaceted genre with a special focus on recent developments due to the rise of new media Part I provides systematic overviews of significant contexts ranging from historical political backgrounds short story theories developed by writers print and digital culture to current theoretical approaches and canon formation Part II consists of 35 paired readings of representative short stories by eminent authors charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age The handbook examines historically methodologically and theoretically the coming together of the enduring narrative practice of compression and concision in American literature It offers fresh and original readings relevant to studying the American short story and shows how the genre performs American culture **The Pageant of**
