The Collapse of Communist Power in Poland Jacqueline Hayden, 2006-03-23 Based on extensive original research including interviews with key participants this book investigates the sudden and unforeseen collapse of communist power in Poland in 1989 It sets out the sequence of events and examines the strategies of the various political groupings prior to the partially free election of June 1989 This volume argues that the specific negotiating strategies adopted by the communist party representatives in the Round Table discussions before the elections was a key factor in communism's collapse The book shows that on many occasions PZPR decision makers ignored expert advice and many Round Table bargains went against the party's best interests Using in depth interviews with major party players including General Jaruzelski General Kiszczak and

Mieczyslaw Rakowski as well as Solidarity advisors such as Adam Michnik the text provides a unique source of first hand accounts of Poland s revolutionary drama **The Spanish Civil War, the Soviet Union, and Communism** Stanley G. Payne,2008-10-01 In this compelling book Stanley G Payne offers the first comprehensive narrative of Soviet and Communist intervention in the revolution and civil war in Spain He documents in unprecedented detail Soviet strategies Comintern activities and the role of the Communist party in Spain from the early 1930s to the end of the civil war in 1939 Drawing on a very broad range of Soviet and Spanish primary sources including many only recently available Payne changes our understanding of Soviet and Communist intentions in Spain of Stalin s decision to intervene in the Spanish war of the widely accepted characterization of the conflict as the struggle of fascism against democracy and of the claim that Spain s war constituted the opening round of World War II The author arrives at a new view of the Spanish Civil War and concludes not only that the Democratic Republic had many undemocratic components but also that the position of the Communist party was by no means counterrevolutionary *Departments of State and Justice, the Judiciary, and Related Agencies Appropriations: United States Information Agency* United States.
