The Anchillary Literature Of The Atharvaveda A Study With Special Reference To The Parisistas:

The Ancillary Literature of the Atharva-Veda B. R. Modak, 1993 **The Oxford History of Hinduism: Hindu Practice** Gavin Flood, 2020-08-20 Traditions of asceticism yoga and devotion bhakti including dance and music developed in Hinduism over long periods of time Some of these practices notably those denoted by the term yoga are orientated towards salvation from the cycle of reincarnation and go back several thousand years These practices borne witness to in ancient texts called Upaniads as well as in other traditions notably early Buddhism and Jainism are the subject of this volume in the Oxford History of Hinduism Practices of meditation are also linked to asceticism tapas and its institutional articulation in renunciation sannyasa There is a range of practices or disciplines from ascetic fasting to taking a vow vrata for a deity in return for a favour There are also devotional practices that might involve ritual making an offering to a deity and receiving a blessing dancing or visualization of the master guru The overall theme the history of religious practices might even be seen as being within a broader intellectual trajectory of cultural history In the substantial introduction by the editor this broad history is sketched paying particular attention to what we might call the medieval period post Gupta through to modernity when traditions had significantly developed in relation to each other The chapters in the book chart the history of Hindu practice paying particular attention to indigenous terms and recognizing indigenous distinctions such as between the ritual life of the householder and the renouncer seeking liberation between inner practices of and external practices of ritual and between those desirous of liberation mumukshu and those desirous of pleasure and worldly success bhukshu This whole range of meditative and devotional practices that have developed in the history of Hinduism are represented in this book **The Myth of the Holy Cow** D.N. Jha, 2004-02-17 A book the government of India demands be ritually burned **Modern Hinduism in Text and Context** Lavanya Vemsani, 2018-07-26 Modern Hinduism in Text and Context brings together textual and contextual approaches to provide a holistic understanding of modern Hinduism It examines new sources including regional Saiva texts Odissi dance and biographies of Nationalists and discusses topics such as yoga dance visual art and festivals in tandem with questions of spirituality and ritual The book addresses themes and issues yet to receive in depth attention in the study of Hinduism It shows that Hinduism endures not only in texts but also in the context of festivals and devotion and that contemporary practice devotional literature creative traditions and ethics inform the intricacies of a religion in context Lavanya Vemsani draws on social scientific methodologies as well as history ethnography and textual analysis demonstrating that they are all part of the toolkit for understanding the larger framework of religion in the context of emerging nationhood transnational and transcultural interactions **Homa Variations** Richard K. Payne, Michael Witzel, 2016 Throughout human history and across many religious cultures offerings are made into fire The essays collected in Homa Variations provide detailed studies of this practice known in the tantric world as the homa from its inception up to the present **A History of Indian literature** Jan Gonda, 1975 Archaeology and Text Himanshu Prabha Ray, 2010 What

is a temple Who built or patronized such structures and why Temples have always formed a crucial element of the cultural landscape of South Asia Combining textual analysis archaeology and archival research with contemporary anthropology Archaeology and Text provides a stimulating appraisal of religious life in the past Through detailed case studies from regions like Karnataka Maharashtra Madhya Pradesh Rajasthan Bengal and Orissa the book examines both the religious architecture of the temples and the cultural practices surrounding them The essays underscore the importance of the temple in its interaction with diverse interest groups such as worshippers ritual specialists ascetics patrons artisans and others They also show how temples were not only expressions of political authority but also formed important centres of learning popular devotion and pilgrimage The volume explores the development of bhakti and ascetic traditions in the subcontinent in relation to temples It investigates the relationship between sacrificial rituals and devotional practices emergent religious cultures and older traditions and temples and renouncers The collection also questions the notion of boundaries surrounding religious traditions underlining the fact that present categories do not fit neatly in those of a bygone era The introduction provides a succinct account of sacred spaces as they came to be defined in archaeological records from the first millennium BCE onwards
