Hooker Cab Calloway Ray Charles made the film as unforgettable as its wild car chases Much delayed and vastly over budget beset by mercurial and oft drugged out stars The Blues Brothers opened to outraged reviews However in the 44 years since it has been acknowledged a classic it has been inducted into the National Film Registry for its cultural significance even declared a Catholic classic by the Church itself and re aired thousands of times on television to huge worldwide audiences It is undeniably one of the most significant films of the twentieth century The story behind any classic is rich the saga behind The Blues Brothers as Daniel de Vis reveals is epic encompassing the colorful childhoods of Belushi and Aykroyd the comedic revolution sparked by Harvard s Lampoon and Chicago s Second City the birth and anecdote rich drug filled early years of Saturday Night Live where the Blues Brothers were born as an act amidst turmoil and rivalry and of course the indelible behind the scenes narrative of how the film was made scene by memorable scene Based on original research and dozens of interviews probing the memories of principals from director John Landis and producer Bob Weiss to Aykroyd himself The Blues Brothers illuminates an American masterpiece while vividly portraying the creative geniuses behind modern comedy
