

The aims of Soviet foreign policy changed significantly under Stalin.
To what extent do you agree with this statement?

At face value, it could be argued that the aims of Soviet foreign policy did alter under Stalin given the ideological fluctuation between Trotsky's theory of Permanent Revolution and Stalin's concept of Socialism in One Country. Nevertheless, it would be difficult to substantiate the claim that the aims of foreign policy changed 'significantly' as, given Russia's position as the European pariah following the events of WWI, foreign policy under both Lenin and Stalin was dictated by a necessity to secure stability for the USSR. Thus, diplomatic and economic aims were unwavering and, moreover, even the ideological aims were relatively consistent as, in reality, Stalin never completely abandoned Permanent Revolution.

Initially, the ideological aims of Soviet foreign policy stemmed from the Marxist-Leninist theory of worldwide revolution. However, following the signing of the Treaty of Brest-Litovsk on 3 March 1918, in which Soviet Russia lost a quarter of its land and a third of its population, Chicherin replaced Trotsky as the Commissar for Foreign affairs. Consequently, an additional, yet notably contradictory, aim for foreign policy arose as Chicherin introduced the idea of peaceful co-existence. Arguably, due to the pivotal moment of the Miracle on the Vistula (1920), during the Russo-Polish war (1919-1921), which saw the defeat of the Red Army in the Battle of Warsaw, Soviet foreign policy aims were forced to change. Polish resistance had destroyed the 'Red Bridge into Europe' and thereby coerced Lenin into accepting peaceful co-existence. Nonetheless, Permanent Revolution was never completely abandoned under Lenin, which is exemplified most clearly in the establishment of the First, Second and Third Comintern which were headed by Zinoviev between 1919-1921. Thus,

The Annals Vol 481 September 1985 Soviet Foreign Policy In An Uncertain World

Jaime Pozuelo-Monfort

The Annals Vol 481 September 1985 Soviet Foreign Policy In An Uncertain World:

Soviet Foreign Policy in an Uncertain World John J. Stremlau, 1985 Rival Power Dimitar Bechev, 2017-08-22 A nuanced and comprehensive study of the political dynamics between Russia and key countries in Southeast Europe Is Russia threatening to disrupt more than two decades of E U and U S efforts to promote stability in post communist Southeast Europe Politicians and commentators in the West say yes With rising global anxiety over Russia s political policies and objectives Dimitar Bechev provides the only in depth look at this volatile region Deftly unpacking the nature and extent of Russian influence in the Balkans Greece and Turkey Bechev argues that both sides are driven by pragmatism and opportunism rather than historical loyalties Russia is seeking to assert its role in Europe s security architecture establish alternative routes for its gas exports including the contested Southern Gas Corridor and score points against the West Yet leaders in these areas are allowing Russia to reinsert itself to serve their own goals This urgently needed guide analyzes the responses of regional NATO members particularly regarding the annexation of Crimea and the Putin Erdogan rift over Syria

Isolationist States in an Interdependent World Helga Turku, 2016-05-06 States that withdraw from the international system provide insight into an unexplored area of international relations in terms of rationality self interest power politics cooperation and alliances Indeed isolationism in an interdependent state system goes against the logic of modern society and state systems Using historical comparative and inductive analysis Helga Turku explains why states may choose to isolate themselves both domestically and internationally using comparative historical analysis to flesh out isolationism as a concept and in practice The book examines extreme forms of self imposed domestic and international isolation in an interdependent international system noting the effects on both the immediate interests of a ruling regime and the long term national interests of the state and the populace *Aanwinsten van de Centrale Bibliotheek (Queteletfonds)* Bibliothèque centrale (Fonds Quetelet), 1985 **The Strategic Defense Initiative** Pyöng-jun An, 1987 **The Monfort Plan** Jaime

Pozuelo-Monfort, 2010-03-18 The Monfort Plan is a five year forward looking plan to eradicate extreme poverty from the developing world and details how microfinance has made a difference to developing countries This book proposes a new institution based in the developing world with the potential to provide a basic free and universal service in the areas of water sanitation healthcare and education to the extreme poor worldwide The provision will be subject to a certain degree of conditionality in areas ranging from corruption to legal environment The new institution will be established in a new international territory based within a specific country in Subsaharan Africa and will emerge in 2015 In The Monfort Plan author Jaime Pozuelo Monfort engineers and designs a solution to lessen the burden of poverty In order to do so he relies on the social sciences to bring about innovation and forward looking economic policies and financial instruments in the context of a paradigm shift This book presents a multidisciplinary approach to policymaking that combines a range of fields in the social sciences looking at the history behind the Marshall Plan the formation of the European Union and the Bretton Woods

Institutions in order to determine how a Marshall Plan for Africa and the creation of New Institutions in the developing world could work We live a moment of crisis in which creative policymaking might prove useful when proposing outcomes for a revitalized framework for capitalism to thrive and better serve the world Walks you through the technicalities of the new architecture of capitalism in a straightforward manner Provides a holistic view of how microfinance combined with the right economic policies and financial instruments could help change the world for the poor Contains sweeping and detailed recommendations on how to build a new capitalist paradigm that helps elevate the poor and improve the human condition Incorporating commentary from some of the top minds in the field of microfinance this book puts the method of microfinance in perspective *Soviet Arms Transfers* Brian J. Spitzer,1990 **The Annals of the American Academy of Political and Social Science** ,1890 **Slavic Review** ,1986 Coverage of Russian Eurasian and East European issues The American Bibliography of Slavic and East European Studies ,1987 Kennedy, de Gaulle and Western Europe E. Mahan,2002-10-16 In Kennedy de Gaulle and Western Europe Mahan revises prevailing interpretations of Franco American relations during the early 1960s that either chastise de Gaulle for anti Americanism or Kennedy for imposing U S policies on Europe Summoning a wide range of French and American archival sources this book demonstrates that the structure and dynamics of the Franco American relationship during this period were embedded in complex multilateral relationships within the Western alliance

Religion in America Today Wade Clark Roof,1985 **NJSEES** ,1987 John F. Kennedy and the "Thousand Days" Manfred Berg,Andreas Etges,2007 Although it lasted only for a Thousand Days the presidency of John F Kennedy is considered a defining moment in recent American history Despite countless attempts by historians journalists and cultural critics the Kennedy myth carefully crafted during his lifetime and eagerly nurtured after his violent death lives on The enduring notion that America might have been spared many of the traumatic events of the 1960s and 1970s if only John F Kennedy had lived poses a continuing challenge to historians to reassess his foreign and domestic policies In this volume scholars from the United States Germany and Great Britain mostly representatives of a younger generation take a fresh look at key topics such as Kennedy s policies toward Europe the Third World the civil rights struggle and poverty Contrary to his often grandiose rhetoric of vigorous leadership and new frontiers and despite his considerable skills at managing foreign and domestic crises the essays emphasize that President John F Kennedy acted largely within the consensus of Cold War liberalism *United States Political Science Documents* ,1993 *Forthcoming Books* Rose Arny,1988-09 **Yearbook of International Organizations 2004/2005** Union of International Associations,2004 *The Annals of the American Academy of Political and Social Science*, V. 481. *Soviet Foreign Policy in an Uncertain World* ,1985 **Soviet Foreign Policy Toward the Low Countries** John Löwenhardt,1984 Soviet Foreign Policy Documents 1985 ,1986
