The McKinley Street Ghost Edeth Hamm, Hamm Edeth Hamm, 2009-12 Have you ever heard weird unexplainable sounds in the night in your house while everyone else is asleep Do you believe those sounds were made by ghosts Or maybe you don't believe in ghosts If not how do you explain those strange noises or were they just a figment of your imagination Deedra Pope a quiet sensitive bespectacled twelve year old wanted to be taken more seriously about what she saw and heard in and around the house her family had moved into three years ago It was hard to convince them that a ghost crept into the house every night while they were all asleep Mrs Pope felt these ghost stories were just a figment of her daughter's vivid imagination especially since she had a special gift for creating stories and writing poetry Her father was always too tired to care and her siblings didn't want to hear about such spooky things After three years of a series of frightful events Deedra was finally able to persuade her family to become believers In fact they waited until it was almost too late Only Deedra can tell the story the way it really unfolded
