**The Antonov Project** Antony Trew, 1979      Femtototechnologies and Innovative Projects Alexander Bolonkin, 2017-03-15  
New macro projects concepts ideas methods and innovations are explored here but hardly developed There remain many problems that must be researched modeled and tested before these summarized research ideas can be practically designed built and utilized that is fully developed and utilized Most ideas in our book are described in the following way 1 Description of current state in a given field of endeavor A brief explanation of the idea researched including its advantages and short comings 2 Then methods estimation and computations of the main system parameters are listed and 3 A brief description of possible applications candidate macro projects including estimations of the main physical parameters of such economic developmental undertakings The first and third parts are in a popular form accessible to the wider reading public the second part of this book will require some mathematical and scientific knowledge such as may be found amongst technical school graduate students      *International Industrial Networks and Industrial Restructuring in Central and Eastern Europe* S. Radosevic, Bert M. Sadowski, 2007-05-08 International Industrial Networks and Industrial Restructuring in Central and Eastern Europe analyses the role of international industrial networks in industrial restructuring and corporate growth in central Europe Russia and Ukraine It shows that two distinct patterns of international industrial integration domestic vs foreign led modernisations have developed in these two regions which have significant effects on patterns of growth and integration of these economies International Industrial Networks and Industrial Restructuring in Central and Eastern Europe is based on a number of industry and firm case studies which are analysed and interpreted within the current international business and political economy literature The publication provides valuable insights to managers and policy makers who are interested in understanding different strategic options for business activity in Central and East European countries For the academic reader it offers a new perspective on international industrial networks in which theories on strategic management and on industry restructuring and corporate growth are merged into a new view of growth and transformation process

**CleanEra - A Collection of Research Projects for Sustainable Aviation** The CleanEra Team, 2015-10-21 The CleanEra project was initiated with the goal of developing revolutionary ideas for civil aviation These ideas were to offer solutions which would limit and reduce some of the negative aspects of aviation namely emissions and the use of resources This book presents you with the highlights of this journey in search of new technologies for a revolutionary aircraft an aircraft that not only offers a future of comfortable air travel for the passenger but a future of sustainable aviation for the planet as well      Long-Term Investments Srinivasan Sundarasan, 2020-11-29 First published in 2009 Routledge is an imprint of Taylor Francis an informa company      **LIFE. SCIENCE. FUTURE** Alexander Bolonkin, 2011-02-21 This is book about life researches ideas innovations of Dr Sci professor Alexander Bolonkin He worked in Soviet aviation rocket and space industries and lectured in main Moscow Universities in the former USSR In 1972 professor Bolonkin was arrested by the

notorious Soviet Secret Police KGB because he had been discovered reading forbidden political literature about freedom and democracy and had been monitored listening to Voice of America For more than 15 years the vicious YGB torturers in various special prisons concentration camps and in exile in utterly miserable Siberia In 1988 the Soviet authority allowed him to leave the USSR Following his arrival in the United States in 1988 he lectured at the New Jersey Institute of Technology and worked as a Senior Researcher at NASA and the US Air Force Research Laboratories Bolonkin is the author of more than 180 scientific articles and books and has 17 inventions to his credit

*The Moralist International* Kristina Stoeckl,Dmitry Uzlaner,2022-12-20 The Moralist International analyzes the role of the Russian Orthodox Church and the Russian state in the global culture wars over gender and reproductive rights and religious freedom It shows how the Russian Orthodox Church in the past thirty years first acquired knowledge about the dynamics issues and strategies of Right Wing Christian groups how the Moscow Patriarchate has shaped its traditionalist agenda accordingly and how the close alliance between church and state has turned Russia into a norm entrepreneur for international moral conservatism Including detailed case studies of the World Congress of Families anti abortion activism and the global homeschooling movement the book identifies the key factors causes and actors of this process Kristina Stoeckl and Dmitry Uzlaner then develop the concept of conservative aggiornamento to describe Russian traditionalism as the result of conservative religious modernization and the globalization of Christian social conservatism The Moralist International continues a line of research on the globalization of the culture wars that challenges the widespread perception that it is only progressive actors who use the international human rights regime to achieve their goals by demonstrating that conservative actors do the same The book offers a new original perspective that firmly embeds the conservative turn of post Soviet Russia in the transnational dynamics of the global culture wars The Moralist International is available from the publisher on an open access basis

*Russia in Space* Brian Harvey,2000-12-21 Until the Apollo Soyuz flight of 1972 the Russian Space Program was shrouded in such complete secrecy that only rumors of failures or catastrophes reached the West This comprehensive history of the Russian Space Program from its Sputnik origins to the privatized Mir Space Station addresses the technical political historical human and organizational issues and provides a balanced focus on the manned and unmanned programs It is the first book to assess the Russian Space Program including the 10 year period since the fall of communism

*Inside the Five-Sided Box* Ash Carter,2020-06-09 Former Secretary of Defense Ash Carter takes readers behind the scenes to reveal the inner workings of the Pentagon its vital mission and what it takes to lead it The Pentagon is the headquarters of the single largest institution in America the Department of Defense The D O D employs millions of Americans It owns and operates more real estate and spends more money than any other entity It manages the world s largest and most complex information network and performs more R D than Apple Google and Microsoft combined Most important the policies it carries out in war and peace impact the security and freedom of billions of people around the globe Yet to most Americans the dealings of the D O D are a mystery and the

Pentagon nothing more than an opaque five sided box that they regard with a mixture of awe and suspicion In this new book former Secretary of Defense Ash Carter demystifies the Pentagon and sheds light on all that happens inside one of the nation s most iconic and most closely guarded buildings Drawn from Carter s thirty six years of leadership experience in the D O D this is the essential book for understanding the challenge of defending America in a dangerous world and imparting a trove of incisive lessons that can guide leaders in any complex organization In these times of great disruption and danger the need for Ash Carter s authoritative and pragmatic account is more urgent than ever

**Office and SharePoint 2010 User's Guide** Michael Antonovich,2010-08-06 Web sites collaboration document management paperless offices we want it all in business today but how do we achieve all of these goals More importantly if you work for one of the millions of small to medium sized businesses how do you find the time to build the expertise necessary to reach these goals Even the most powerful tool will not allow you to succeed unless you can get the majority of your staff to use it efficiently and effectively You need a guide that demonstrates a platform that small to medium sized businesses can use to reach these goals Office and SharePoint 2010 User s Guide demystifies the path that every Microsoft Office user can follow to benefit from the synergism of tools they are already familiar with Together with SharePoint 2010 users can achieve goals like web sites with a consistent single view improved collaboration within their organization and better document management and may even get one step closer to the paperless office we ve been promised for years This book has topics for Office users of all skill levels from those just starting to use Office tools to experienced power users It examines each major Office tool and shows how it contributes to the support and use of SharePoint in today s increasingly electronic based office environment

*Plane Truth* Rose Bridger,2013-10-09 As aviation is celebrated as one of the world s fastest growing industries with passenger numbers and cargo volumes projected to double in the next 20 years Plane Truth sounds a note of caution In addition to the environmental impact of airport expansion devouring farmland and wildlife habitats and aviation s impact of noise and air pollution on communities Rose Bridger reveals the extraordinary government subsidies for the aviation industry encompassing government expenditure on infrastructure to tax breaks all of which serve to support the industry in the face of rising oil prices and global economic downturn Disavowing greenwashing claims of fuel efficient aircraft and alternative fuels that will enable growth without climate change from British Airways to American Airlines the symbiotic relationship between aviation and the wider socio economic problems facing humanity is manifest
