LAKE, 2018

The Apostolic Fathers Saint Ignatius (Bishop of Antioch), 1945 **The Apostolic Fathers in English** Michael W. Holmes, 2006-11-01 The Apostolic Fathers is an important collection of writings revered by early Christians but not included in the final canon of the New Testament Here a leading expert on these texts offers an authoritative contemporary translation in the tradition of the magisterial Lightfoot version but thoroughly up to date The third edition features numerous changes including carefully revised translations and a new more user friendly design The introduction notes and bibliographies have been freshly revised as well The Apostolic Fathers. With an English Translation by K. Lake. Gr. & Eng Kirsopp LAKE, 1912 **The Apostolic Fathers** Pope Clement I, 1948 **The Apostolic Fathers** Kirsopp Lake, 2023-07-18

The Apostolic Fathers is a collection of early Christian texts written in the first and second centuries CE In this edition Kirsopp Lake provides an English translation of these important texts along with scholarly commentary This book is an essential resource for anyone interested in early Christianity or the history of the Christian Church This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Apostolic Fathers** Kirsopp Lake, 1964 The Apostolic Fathers, Vol. 1 of 2 Kirsopp Lake, 2016-10-17 Excerpt from The Apostolic Fathers Vol 1 of 2 With an English Translation I Clement II Clement Ignatius Polycarp Didache Barnabas The name of Apostolic Fathers is so firmly established by usage that it will certainly never be abandoned but it is not altogether a satisfactory title for the collection of writings to which it is given It means that the writers in question may be supposed to have had personal knowledge of some of the Apostles but not actually to have belonged to their number Thus for Instance Clement and Hermes are reckoned as disciples of St Paul and Polycarp as a disciple of St John It is not however always possible to maintain this View Barnabas to whom one of these writings is ascribed was not merely a disciple of the Apostles but belonged to their actual number and the Didache claims in its title to belong to the circle of the Twelve It should also be noted that the title does not represent any ancient tradition there are no traces of any early collection of Apostolic Fathers and each of them has a separate literary history About the Publisher Forgotten

The Apostolic Fathers Joseph Barber Lightfoot, John Reginald Harmer, Michael William Holmes, 1992 **The Apostolic Fathers, Vol. 2 of 2** Kirsopp Lake, 2015-07-19 Excerpt from *The Apostolic Fathers Vol 2 of 2* With an English Translation by Kirsopp Lake The Shepherd of Hermas is in form an apocalypse It consists of a series of revelations made to Hermas by the Church who appears in the form of a woman first old and afterwards younger by the shepherd or angel of repentance and by the great angel who is in charge of Christians Each revelation is accompanied by an explanation and from these it can be seen that though the form of the book is apocalyptic and visionary its object is practical and ethical The main problem which constantly recurs is that of sin after baptism In the circle to which Hermas belonged the belief obtained that Christians after baptism were capable of leading sinless lives and that if they fell they could not again obtain forgiveness Experience however had shown that in this case few indeed would be saved and the message of Hermas was that for sin after baptism there was still the possibility of forgiveness for those who repented though this repentance would not avail more than once About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Apostolic Fathers** Joseph Barber Lightfoot, John Reginald Harmer, 1988 *The Apostolic Fathers* Joseph Barber Lightfoot, 1893 **The Apostolic Fathers** Apostolic fathers, Joseph Barber Lightfoot, John Reginald Harmer, 1898 **The Apostolic Fathers** Kirsopp Lake, 1959 **The Reception of the New Testament in the Apostolic Fathers** Andrew Gregory, Christopher Tuckett, 2005-12-02 The two volume work *The New Testament and the Apostolic Fathers* offers a comparative study of two collections of early Christian texts the New Testament and the texts from immediately after the New Testament period which are conventionally referred to as the Apostolic Fathers The first volume *The Reception of the New Testament in the Apostolic Fathers* presents a comprehensive and rigorous discussion of the extent to which the writings later included in the New Testament were known to and used by each of the Apostolic Fathers Contemporary research on the textual traditions of both collections is used to address the questions of textual transmission and reception
