The Aquarian Age:

The Aquarian Age Elsa M. Glover, 2013-03-10 The Aquarian Age is an astrological era that is arriving in the year 2638 where humans will have the ability to read minds by resonance and have x ray vision by not processing the reflection of the image on the retina but actually looking out and seeing the thing itself This is not science fiction but foretold by a PhD in physics who devoted her life to studying astrology and spirituality She has now passed but her niece Susanna Brown has put back into print the original 1987 limited edition version of her book Dr Glover shows how the Aquarian Age will help people to break out of the shell of ignorance lack of self esteem and fear so that they can become for the first time in history truly free As people become free to explore their own inner natures the world around them and other peoples unprecedented advances will be made in self actualization scientific understanding invention and universal love First Edition ISBN 0 533 07338 3 [The Aquarian Age](#) Hans Holzer, 2015-01-24 Practially everyone today knows that we are living in the Age of Aquarius Few however understand what this really means In this fascinating volume the late Hans Holzer who was one of America s leading parapsychologists explores the full meaning of the Aquarian Age its astrological definition its immediate signficance for each of our lives and it s awesome and far reaching implications for the future of mankind [Astrology for the Aquarian Age](#) Alexandra Mark, 1970 *The Aquarian Age, Astronomy and Astrology* James L. Freemasons will be able to educate and form themselves to become true and real servers who have built a channel into Kingdom of God Thus they will be able to become true Master Builders transmitting to Earth the Light Love and Power of God s Kingdom and the true Brotherhood of Humanity will be recognized Master D K emphasizes that education education and education again is what can make it possible to restore the mysteries Esoteric knowledge and meditation must be taught That which is taught must move from symbols to meaning to significance and must support the individual person to move from the dark into the light or from unreality into reality The author manifests a vision of the future of Freemasonry and inspires the reader as to how the individual lodge and freemason can begin to prepare the restoration of the mysteries through education

The Aquarian Alcoholic David O., 2004-02 The Twelve Step Program was introduced in the mid nineteen thirties as a method for people plagued by the need to drink to overcome their addiction to alcohol The program was introduced through the organization known as Alcoholics Anonymous commonly referred to as AA Since then the Twelve Step Program has been adopted by many other organizations seeking to help relieve various addictions The use of the Twelve Step Program has grown to the extent that Twelve Step Program is almost a household phrase and most individuals are at least aware of the purpose behind it The Aquarian Alcoholic is about the Twelve Step Program but it is not directed at the average individual suffering from an addiction Instead it is directed at the individual in harmony with 21st century thinking the individual who desires to leave older philosophies behind and who's thinking is beyond the scope of the average person The Aquarian Alcoholic takes us on a journey through the recovering alcoholic's twelve step program from the perspective of 21st century acquired knowledge The twelve steps are discussed at a higher level of understanding than popularized by the early 1900's organization of Alcoholics Anonymous This book was written from the perspective of alcoholism the addiction to alcohol However the same principles presented within apply to many other addictions This book was written by an alcoholic in recovery whose only desire is to help relieve some of the struggles faced by new members starting out on the Twelve Step Program who find it difficult or impossible to retain or to accept dogmatic beliefs in conjunction with their recovery
