

The Arab

Mansoor Moaddel, Michele J. Gelfand

The Arab:

The Arab-Israeli Wars Chaim Herzog, Shlomo Gazit, 2004 Israel was born in battle No sooner had independence been declared than seven Arab armies invaded the tiny nascent state bent on its destruction The tragedy of the Middle East had begun In the critically acclaimed Arab Israeli Wars Chaim Herzog the former President of Israel details the epic story of Israel s struggle to exist He provides a balanced blow by blow account of one of history s most bitter and enduring conflicts Arab versus Jew As well as describing every campaign in absorbing and incisive detail Herzog who had the advantage of personally knowing the generals and politicians who have worked to ensure the state s survival highlights the personal and political struggles that have determined the Middle East conflict This prize winning account has been fully updated to the ongoing intifada by General Shlomo Gazit who served as the Israeli Head of Military Intelligence and was personally involved in negotiations with Egypt and the Palestinians BOOK JACKET *The Arab-Israeli Wars* Chaim Herzog, Shlomo Gazit, 2005-07-12 The Arab Israeli Wars is former President of Israel Chaim Herzog s acclaimed history of Israel s fight since 1947 to preserve her existence against repeated attacks Revised after his death by friend and colleague General Shomo Gazit this new edition also covers the events of the past twenty years including the pullout from Lebanon both intifadas the first Gulf War the Oslo Process and beyond Riveting informative and comprehensive this authoritative account tells the story of Israel s struggle to survive but gives a clear picture of the people and politics that continue to shape the destiny of this crucial region *The Arab in Israeli Drama and Theatre* Dan Urian, 1997 The Author uses of extensive examples showing how theatre politics and personal perceptions intertwine presenting us with a model for further discussion and study of similar social and artistic phenomena in other cultures **Language Education Policy: The Arab Minority in Israel** M. Amara, 2002-05-31 The Israeli reality points to a number of deep divisions among the population such as between Sephardi Ashkenazi Orthodox secular men women Arab Jew most of which in our opinion are progressively decreasing as time passes The Arab Jewish divide is the deepest of all and there is still no solution In spite of its intensity it did not enjoy a centrality whether in public debates or in academia This subject has only come on the agenda after sharp tensions between Arabs and Jews In this book we will explore in more detail some aspects of the Arab Jewish divide which raise fundamental questions regarding the place of the Arabs and Arab language education in the Jewish State More specifically the aim of this book is to describe and analyze language education in the Arab society in Israel from the establishment of the state in 1948 until today For this purpose internal processes which are embedded within the Arab population itself were examined such as the socio economic condition of the population the diglossic situation in the Arabic language and the wide use of Hebrew among Arabic speakers Furthermore the book also deals with external processes such as the policy of control and inspection of the Ministry of Education over the Arab education system in general and on language education in particular the dominance of Hebrew and the definition and perception of Israel as a Jewish State The influence of both internal and external processes on

language education and learning achievements will also be extensively discussed A comprehensive examination was made of Arabic Hebrew and English as well as the teaching of French in a number of community schools The target group for this book are people who are concerned with sociolinguistics language education and language policy and planning This book will be also of special interest to Arab language teachers and policy makers in Israel [The Routledge Atlas of the Arab-Israeli Conflict](#) Martin Gilbert,2002 The Routledge Atlas of the Arab Israeli Conflict traces the tangled and bitter history of the Arab Jewish struggle from the early twentieth century to the present and illustrates the move towards finding peace **Major Companies of the Arab World 1993/94** Giselle C Bricault,2012-12-06 This book represents the seventeenth edition of the leading IMPORTANT reference work MAJOR COMPANIES OF THE ARAB WORLD All company entries have been entered in MAJOR COMPANIES OF THE ARAB WORLD absolutely free of charge This volume has been completely updated compared to last charge thus ensuring a totally objective approach to the year s edition Many new companies have also been included information given this year Whilst the publishers have made every effort to ensure that the information in this book was correct at the time of press no The publishers remain confident that MAJOR COMPANIES responsibility or liability can be accepted for any errors or OF THE ARAB WORLD contains more information on the omissions or for the consequences thereof major industrial and commercial companies than any other work The information in the book was submitted mostly by the ABOUT GRAHAM TROTMAN LTD companies themselves completely free of charge To all those Graham Trotman Ltd a member of the Kluwer Academic companies which assisted us in our research operation we Publishers Group is a publishing organisation specialising in express grateful thanks To all those individuals who gave us the research and publication of business and technical help as well we are similarly very grateful information for industry and commerce in many parts of the world *The Arab Spring Effect on Turkey's Role, Decision-making and Foreign Policy* Fadi Elhousseini,2018-12-17 This book analyses Turkey s role in the Arab world and investigates the effects of the Arab Spring on Turkish foreign policy decision making and its role Particular attention is focused on widespread terms such as strategic depth neo Ottomans and the Turkish Model It also provides incisive discussions of the key tenets of the Turkish official responses to Arab revolts and narrates the advantages and challenges that come to forge any potential regional role for Turkey **The Rise of the Arab American Left** Pamela E. Pennock,2017-02-07 In this first history of Arab American activism in the 1960s Pamela Pennock brings to the forefront one of the most overlooked minority groups in the history of American social movements Focusing on the ideas and strategies of key Arab American organizations and examining the emerging alliances between Arab American and other anti imperialist and antiracist movements Pennock sheds new light on the role of Arab Americans in the social change of the era She details how their attempts to mobilize communities in support of Middle Eastern political or humanitarian causes were often met with suspicion by many Americans including heavy surveillance by the Nixon administration Cognizant that they would be unable to influence policy by traditional electoral means Arab Americans

through slow coalition building over the course of decades of activism brought their central policy concerns and causes into the mainstream of activist consciousness With the support of new archival and interview evidence Pennock situates the civil rights struggle of Arab Americans within the story of other political and social change of the 1960s and 1970s By doing so she takes a crucial step forward in the study of American social movements of that era

The Arab-Israeli Conflict in Israeli History Textbooks, 1948-2000 Elie Podeh, 2001-10-30 Israeli history textbooks in the past contained many biases distortions and omissions concerning the depiction of Arabs and the history of the Arab Israeli conflict Today these misrepresentations are gradually being corrected This study encourages the depiction of a balanced portrait in all textbooks By reviewing curricula and textbooks used in the Israeli educational system since the establishment of Israel the author assesses the impact of Zionist historiography and the Zeitgeist on the portrayal of Arabs in textbooks The study unravels the biases distortions omissions and stereotypes through the analysis of several major historical events such as the 1948 war the refugee question the 1967 war and the peace process

Technology Transfer and Change in the Arab World A. B.

Zahlan, 2014-05-18 Technology Transfer and Change in the Arab World covers the proceedings of the Seminar of the United Nations Economic Commission for Western Asia The book presents 24 papers that cover concerns in technology transfer in the Arab world The coverage of the book includes established patterns of technology acquisition in the Arab world possible mechanisms for the transfer and development of technology and the transfer of technology and investment policy design The selection also presents articles that cover resource related technology such as water science and technology in the Middle East since 1945 induced adjustment and the role of agriculture in economic development and prospects and scope for solar energy The book will be of great interest to individuals concerned with the technological development in the Middle East

Nazi Propaganda for the Arab World Jeffrey Herf, 2009-11-30 Jeffrey Herf a leading scholar in the field offers the most extensive examination to date of Nazi propaganda activities targeting Arabs and Muslims in the Middle East during World War II and the Holocaust He draws extensively on previously unused and little known archival resources including the shocking transcriptions of the Axis Broadcasts in Arabic radio programs which convey a strongly anti Semitic message Herf explores the intellectual political and cultural context in which German and European radical anti Semitism was found to resonate with similar views rooted in a selective appropriation of the traditions of Islam Pro Nazi Arab exiles in wartime Berlin including Haj el Hussein and Rashid el Kilani collaborated with the Nazis in constructing their Middle East propaganda campaign By integrating the political and military history of the war in the Middle East with the intellectual and cultural dimensions of the propagandistic diffusion of Nazi ideology Herf offers the most thorough examination to date of this important chapter in the history of World War II Importantly he also shows how the anti Semitism promoted by the Nazi propaganda effort contributed to the anti Semitism exhibited by adherents of radical forms of Islam in the Middle East today

The Many Faces of National Security in the Arab World Rex Brynen, Bahgat Korany, Paul Noble, 2016-07-27 Two Gulf

wars and the continuing Arab Israeli conflict have highlighted the salience of military factors in the Middle East This book argues however that many of the most serious security challenges to Arab states and societies are rooted not in external military threats but in the imperatives of socio economic development Contributors examine the regional security environment the social and political impact of regional militarization and underdevelopment as a source of regional insecurity

Ralph Bunche and the Arab-Israeli Conflict Elad Ben-Dror, 2015-09-16 I swear by all that s Holy I will never come anywhere near the Palestine problem once I liberate myself from this trap Ralph Bunche wrote these lines to his wife in 1949 during the armistice talks on Rhodes A year later he was awarded the Nobel Peace Prize for his success in ending the 1948 Arab Israeli war Ralph Bunche and the Arab Israeli Conflict provides a comprehensive study of Ralph Bunche s diplomatic activities on the Palestine question Bunche was at the centre of the story from the referral of the issue to the United Nations in 1947 until the signing of the armistice agreements that ended the war He began as advisor to UNSCOP and then headed the secretariat of the commission tasked with implementing partition Later after serving as the senior aide to UN mediator Folke Bernadotte he was appointed to replace the Count after the latter s assassination Using extensive archival materials some of it revealed here for the first time this book addresses central questions such as the relationship between Bunche s African American identity and his diplomatic endeavours and the complexities of his outlook on the Arab Israeli conflict Through research and careful analysis it uncovers how Ralph Bunche managed to bridge the gaps between Israel and Arab states This book will be of interest to students and scholars of Middle Eastern History particularly Israeli History as well as Political Science and Diplomacy

Values, Political Action, and Change in the Middle East and the Arab Spring Mansoor Moaddel, Michele J. Gelfand, 2017-01-18 With change serving as the central theme of this edited volume contributing authors have advanced new and insightful frameworks to analyze vast empirical data in order to explain the dynamics of cross national variation values political engagement morality and development in the Middle East and North Africa in light of the Arab Spring Methodological issues in survey research are also addressed in this volume
